SECTION B

ADMINISTRATION OF TARIFF RATE QUOTAS

PUBLIC

11. This Section sets out the Tariff Rate Quotas (hereinafter referred to as "TRQs") established under this Agreement that the importing Party shall apply from the date of entry into force of this Agreement to specified originating goods of the exporting Party.

12. Parties shall administer TRQs established under this Agreement in a transparent, objective and non-discriminatory manner in accordance with their laws and regulations. This includes making publicly available in a timely and continuous manner all relevant information concerning the administration of TRQs, including volume available and eligibility criteria, as applicable.

13. The management method for all TRQs of either Party established under this Agreement shall be the "first-come-first-served" method on the basis of a full calendar year without sub-allocations and without prejudice to import licences.

14. The products covered by each TRQ are informally identified in the title to the paragraph setting out the TRQ in Section C. Those titles are included solely to assist in understanding this Schedule and shall not alter or supersede the coverage established through the identification of tariff lines specified for each TRQ below.

15. If the date of entry into force of this Agreement is during an ongoing year, the TRQ quantities specified for that year shall be calculated as a proportion of the annual TRQ quantity equal to the number of days remaining in that year. In all subsequent years, whilst the TRQ is in operation, the full annual TRQ quantities shall be available from 1 January.

16. Any quantity of originating goods imported under a TRQ established under this Agreement shall not be counted toward the in-quota quantity of any TRQ provided for those goods under the importing Party's WTO Tariff Schedule.

17. If a matter arises concerning TRQs or any related matter, a Party may make a written request to the other Party to:

(a) hold a meeting of the Committee on Trade in Goods, Customs matters and Sanitary and Phytosanitary matters in its specific configuration for Chapters 2 (National Treatment and Market Access for Goods), 5 (Trade Remedies) and 7 (Technical Barriers to Trade) established under Article 24.4 (hereinafter referred to as the "Committee" for the purposes of this Annex);

(b) promptly respond to specific questions; and

(c) promptly provide information relating to TRQs.

18. On the request of a Party, the Parties shall, within the Committee, review the operation of the relevant TRQ and its administration.
