Subject: END OF WRITTEN PROCEDURE
Proposal for a Council Regulation amending Regulation (EU) 2022/1369 as regards prolonging the demand reduction period for demand-reduction measures for gas and reinforcing the reporting and monitoring of their implementation
- Adoption
= Outcome of the written procedure initiated by CM 2303/23

Delegations are informed that the written procedure, opened by CM 2303/23 of **29 March 2023** was completed on **30 March 2023** and that all delegations voted in favour of, except for Hungarian and Polish delegations that voted against and the Italian delegation that abstained, the adoption of the Council Regulation amending Regulation (EU) 2022/1369 as regards prolonging the demand reduction period for demand-reduction measures for gas and reinforcing the reporting and monitoring of their implementation, as set out in doc. ST 7617/23.

The required qualified majority has been reached. Therefore, the Council Regulation amending Regulation (EU) 2022/1369 as regards prolonging the demand reduction period for reduction measures for gas and reinforcing the reporting and monitoring of their implementation is adopted.
