THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 338(1) thereof,

Having regard to the proposal from the European Commission,

After transmission of the draft legislative act to the national parliaments,

Acting in accordance with the ordinary legislative procedure¹,

¹ Position of the European Parliament of 23 November 2021 (not yet published in the Official Journal) and decision of the Council of 12 December 2021.

Whereas:

- (1) Regulation (EU) 2018/1091 of the European Parliament and of the Council¹ provides that Member States are to collect and provide core structural data and module data related to agricultural holdings ('core data' and 'module data', respectively) for the reference years 2023 and 2026.
- (2) To carry out the farm structure surveys and to satisfy the information requirements of the Union, a considerable amount of funding is required from Member States and from the Union.
- (3) Member States are to receive a maximum financial contribution of 75 % from the Union towards the costs of the core data and module data collections for the reference years 2023 and 2026, subject to the maximum amounts specified in Regulation (EU) 2018/1091.
- (4) Regulation (EU) 2018/1091 lays down the financial envelope for the entire duration of the relevant multiannual financial framework (MFF) and includes a provision for establishing the amount to be granted for further data collections under the subsequent MFF covering the farm structure surveys for the reference years 2023 and 2026.

¹ Regulation (EU) 2018/1091 of the European Parliament and of the Council of 18 July 2018 on integrated farm statistics and repealing Regulations (EC) No 1166/2008 and (EU) No 1337/2011 (OJ L 200, 7.8.2018, p. 1).

- (5) That subsequent MFF for the years 2021 to 2027 was laid down by Council Regulation (EU, Euratom) 2020/2093¹.
- (6) In accordance with Regulation (EU) 2018/1091, the amount of the Union contribution for integrated farm statistics under the MFF for the years 2021 to 2027 is to be fixed by the European Parliament and the Council, based on a proposal from the Commission following the date of entry into force of Regulation (EU, Euratom) 2020/2093.
- (7) The amount proposed for the years 2021 to 2027 should finance the farm structure surveys conducted in 2023 and 2026 only, including the costs related to the management, maintenance and development of the databases used by the Commission to process the data provided by Member States.
- (8) In addition, following its withdrawal from the Union, it is appropriate to delete the reference in Regulation (EU) 2018/1091 to the United Kingdom.
- (9) Regulation (EU) 2018/1091 should therefore be amended accordingly.

¹ Council Regulation (EU, Euratom) 2020/2093 of 17 December 2020 laying down the multiannual financial framework for the years 2021 to 2027 (OJ L 433I, 22.12.2020, p. 11).

- (10) The European Statistical System Committee established by Article 7 of Regulation (EC) No 223/2009 of the European Parliament and of the Council¹ has been consulted.
- (11) This Regulation should enter into force as a matter of urgency on the day following that of its publication in the *Official Journal of the European Union* in order to ensure that the Member States receive financing from the Union in a timely manner to allow their national statistical institutes to prepare the data collection for the reference year 2023,

HAVE ADOPTED THIS REGULATION:

¹ Regulation (EC) No 223/2009 of the European Parliament and of the Council of 11 March 2009 on European statistics and repealing Regulation (EC, Euratom) No 1101/2008 of the European Parliament and of the Council on the transmission of data subject to statistical confidentiality to the Statistical Office of the European Communities, Council Regulation (EC) No 322/97 on Community Statistics, and Council Decision 89/382/EEC, Euratom establishing a Committee on the Statistical Programmes of the European Communities (OJ L 87, 31.3.2009, p. 164).
