Subject:	Proposal for a Directive of the European Parliament and of the Council on certain aspects concerning contracts for the supply of digital content (First reading) - General approach = Statement by the Commission to be included in the minutes of the Council

Delegations will find in the Annex a declaration of the Commission to be entered into the minutes of the Council (Justice and Home Affairs), 8-9 June 2017.

Declaration of the Commission

The Commission attaches great importance to ensuring interoperability of digital content. To this end, the Commission follows the situation on the market while considering possible ways forward. In this context, the Commission is taking into account existing Union laws. It will also consider the impact of market developments on the application of the proposed Directive on contracts for the supply of digital content.
