ANNEXES 1 to 8

ANNEXES

to the

Proposal for a Regulation of the European Parliament and of the Council

establishing the Internal Security Fund

{SWD(2018) 347 final} - {SWD(2018) 348 final} - {SEC(2018) 315 final}

ANNEX I

Criteria for the allocation of funding to the programmes under shared management

The financial envelope referred to in Article 10 shall be allocated to the Member States programmes as follows:

(1) a one-time fixed amount of EUR 5 000 000 will be allocated to each Member State at the start of the programming period to ensure a critical mass for each programme and to cover needs that would not be directly expressed through the criteria indicated below;

(2) the remaining resources will be distributed according to the following criteria:

(a) 45 % in inverse proportion to their gross domestic product (purchasing power standard per inhabitant),

(b) 40 % in proportion to the size of their population,

(c) 15 % in proportion to the size of their territory.

The initial allocation shall be based on the latest annual statistical data produced by the Commission (Eurostat) covering the preceding calendar year. For the mid-term review, the reference figures shall be the latest annual statistical data produced by the Commission (Eurostat) covering the preceding calendar year available at the time of the mid-term review in 2024.

ANNEX II

Implementation measures

The Fund shall contribute to the specific objective set out in Article 3(2)(a) by focusing on the following implementation measures:

(a) to ensure the uniform application of the Union *acquis* on security supporting information exchange for example via Prüm, EU PNR and SIS II, including through the implementation of recommendations from quality control and evaluation mechanisms such as the Schengen evaluation mechanism and other quality control and evaluation mechanisms;

(b) to set up, adapt and maintain security relevant Union IT systems and communication networks, including their interoperability, and to develop appropriate tools to address identified gaps;

(c) to increase the active use of Union security relevant information exchange tools, systems and databases ensuring that these are fed with high quality data;

(d) to support relevant national measures if relevant to implement the specific objectives set out in Article 3(2)(a).

The Fund shall contribute to the specific objective set out in Article 3(2)(b), by focusing on the following implementation measures:

(a) to increase law enforcement operations between Member States, including when appropriate with other relevant actors, in particular to facilitate and improve the use of joint investigation teams, joint patrols, hot pursuits, discreet surveillance and other operational cooperation mechanisms in the context of the EU Policy Cycle (EMPACT), with special emphasis on cross-border operations;

(b) to increase coordination and cooperation of law enforcement and other competent authorities within and between Member States and with other relevant actors, for example through networks of specialised national units, Union networks and cooperation structures, Union centres;

(c) to improve inter-agency cooperation and at Union level between the Member States, or between Member States, on the one hand, and the relevant Union bodies, offices and agencies on the other hand as well as at national level among the national authorities in each Member State.

The Fund shall contribute to the specific objective set out in Article 3(2)(c), by focusing on the following implementation measures:

(a) to increase law enforcement training, exercises, mutual learning, specialised exchange programmes and sharing of best practice including in and with third countries and other relevant actors;

(b) to exploit synergies by pooling resources and knowledge among Member States and other relevant actors, including civil society through, for instance, the creation of joint centres of excellence, the development of joint risk assessments, or common operational support centres for jointly conducted operations;

(c) to promote and develop measures, safeguards, mechanisms and best practices for the early identification, protection and support of witnesses, whistle-blowers and victims of crime and to develop partnerships between public authorities and other relevant actors to this effect;

(d) to acquire relevant equipment and to set up or upgrade specialised training facilities and other essential security relevant infrastructure to increase preparedness, resilience, public awareness and adequate response to security threats.

ANNEX III

Actions to be supported by the Fund in-line with Article 4

- IT systems and networks contributing to the achievement of the objectives of this Regulation, training on the use of such systems, testing and improving interoperability and data quality of such systems;
- monitoring of the implementation of Union law and Union policy objectives in the Member States in the area of security information systems;
- EMPACT actions implementing or facilitating the implementation of the EU Policy Cycle;
- actions supporting an effective and coordinated response to crisis linking up existing sector-specific capabilities, expertise centres and situation awareness centres, including those for health, civil protection and terrorism;
- actions developing innovative methods or deploying new technologies with a potential for transferability to other Member States, especially projects aiming at testing and validating the outcome of Union-funded security research projects;
- support to thematic or cross-theme networks of specialised national units to improve mutual confidence, exchange and dissemination of know-how, information, experiences and best practices, pooling of resources and expertise in joint centres of excellence;
- education and training of staff and experts of relevant law-enforcement and judicial authorities and administrative agencies taking into account operational needs and risk analyses, based on the LETS and in cooperation with CEPOL and, when applicable, the European Judicial Training Network;
- cooperation with the private sector in order to build trust and improve coordination, contingency planning and the exchange and dissemination of information and best practices among public and private actors including in the protection of public spaces and critical infrastructure;
- actions empowering communities to develop local approaches and prevention policies, and awareness-raising and communication activities among stakeholders and the general public on Union security policies;
- equipment, means of transport, communication systems and essential security-relevant facilities;
- cost of staff involved in the actions that are supported by the Fund or actions requiring involvement of staff for technical or security-related reasons.

ANNEX IV

Actions eligible for higher co-financing in-line with Articles 11(2) and 12(6)

- Projects which aim to prevent and counter radicalisation.
- Projects which aim at improving the interoperability of IT systems and communication networks.[1]
