EXPLANATORY MEMORANDUM

1. CONTEXT OF THE DELEGATED ACT

Article 28(5) of Directive (EU) No 2015/2366 empowers the Commission to adopt, following submission of draft standards by the European Banking Authority (EBA), and in accordance with Articles 10 to 14 of Regulation No (EU) 1093/2010, delegated acts specifying the framework for cooperation and exchange of information between competent authorities for passport notifications.

In accordance with Article 10(1) of Regulation No (EU) 1093/2010 establishing the EBA, the Commission shall decide within three months of receipt of the draft standards whether to endorse the drafts submitted. The Commission may also endorse the draft standards in part only, or with amendments, where the Union's interests so require, having regard to the specific procedure laid down in those Articles.

2. CONSULTATIONS PRIOR TO THE ADOPTION OF THE ACT

In accordance with the third subparagraph of Article 10(1) of Regulation No (EU) 1093/2010, the EBA has carried out a public consultation on the draft technical standards submitted to the Commission in accordance with Article 28(5) of Directive (EU) No 2015/2366. A consultation paper was published on the EBA internet site on 11 December 2015, and the consultation closed on 11 March 2016. Moreover, the EBA invited the EBA's Banking Stakeholder Group set up in accordance with Article 37 of Regulation No (EU) 1093/2010 to provide advice on them. Together with the draft technical standards, the EBA has submitted an explanation on how the outcome of these consultations has been taken into account in the development of the final draft technical standards submitted to the Commission.

Together with the draft technical standards, and in accordance with the third subparagraph of Article 10(1) of Regulation No (EU) 1093/2010, the EBA has submitted its Impact Assessment, including its analysis of the costs and benefits, related to the draft technical standards submitted to the Commission. This analysis is available at <https://www.eba.europa.eu/regulation-and-policy/passporting-and-supervision-of-branches/regulatory-technical-standards-on-passporting-under-psd2>, pages 43-46 of the Final Draft Regulatory Technical Standards package.

3. LEGAL ELEMENTS OF THE DELEGATED ACT

These Regulatory Technical Standards (RTS) specify the framework for cooperation and exchange of information between competent authorities for passporting under Article 28(5) of the revised Payment Services Directive (PSD2).

They stipulate in particular the information that national supervisors will have to exchange with one another and, in doing so, distinguish the notifications related to

branch establishments, engagement of agents and/or distributors, and free provision of services.

Finally, these RTS define specific features that the notifications shall have in terms of format, transmission channel and language.

It is also appropriate to provide standard templates for the transmission of such information. Where available, those templates should also include the Legal Entity Identifier for legal entities.
- (7) To facilitate the identification of payment institutions operating cross-border in different Member States, it is appropriate to determine the format of the relevant unique identification number used in each Member State to identify payment institutions, their branches or agents engaged by payment institutions to provide payment services in the host Member State.
