THE EEA JOINT COMMITTEE,

Having regard to the Agreement on the European Economic Area ('the EEA Agreement'), and in particular Article 98 thereof,

Declaration by the EFTA States

to Decision No [...] amending Protocol 31 to the EEA Agreement to continue the cooperation of the Contracting Parties in the Union's preparatory action on defence research

[for adoption with the Decision and for publication in the OJ]

This Decision extends the cooperation of the Contracting Parties to continue the participation of the EFTA States in the Union's preparatory action on defence research. The EFTA States consider that defence matters fall outside the scope of the EEA Agreement, and therefore that the adoption of this Decision does not extend the scope of the EEA Agreement to include defence matters beyond the participation of the EFTA States in that preparatory action. The EFTA States also stress that Iceland and Liechtenstein shall not participate in, and shall not financially contribute to, that preparatory action.
