THE EEA JOINT COMMITTEE,

Having regard to the Agreement on the European Economic Area (“the EEA Agreement”), and in particular Articles 86 and 98 thereof,

Whereas:

- (1) It is appropriate to extend the cooperation of the Contracting Parties to the EEA Agreement to include Regulation (EU) 2021/783 of the European Parliament and of the Council of 29 April 2021 establishing a Programme for the Environment and Climate Action (LIFE), and repealing Regulation (EU) No 1293/2013¹.
- (2) It is appropriate that the participation of EFTA States in the activities resulting from Regulation (EU) 2021/783 commence from 1 January 2021, irrespective of when this Decision is adopted, or whether the fulfilment of constitutional requirements for this Decision, if any, is notified after 10 July 2021.
- (3) Entities established in the EFTA States should be entitled to participate in activities which start before the entry into force of this Decision. The costs incurred for such activities, the implementation of which starts after 1 January 2021, may be considered eligible under the same conditions as those applicable to costs incurred by entities established in the EU Member States, provided that this Decision enters into force before the end of the action concerned.
- (4) The conditions for participation of EFTA States and their institutions, undertakings, organizations and nationals in programmes of the European Union are set out in the EEA Agreement and in particular in Article 81 thereof.
- (5) Protocol 31 to the EEA Agreement should therefore be amended accordingly, in order to allow for this extended cooperation to take place from 1 January 2021,
