Subject:

Delegations will find in the Annex a statement for the Council minutes submitted by the German delegation.

Statement for the minutes

Germany submits the following statement for entry in the minutes of the Coreper meeting on 14 September 2016 and the General Affairs Council meeting on 20 September 2016:

Germany would like to point out that the German language version requires considerable improvement to bring it in line with the English language version. Germany assumes that it will remain possible to make improvements in the course of revision by the lawyer-linguists, and that the political agreement will not impede that process.
