<sup>2</sup> Decision of the Council, and of the Commission as regards the Agreement on Scientific and Technological Cooperation, of 4 April 2002, on the conclusion of seven Agreements with the Swiss Confederation (2002/309/EC, Euratom) (OJ L 114, 30.4.2002, p. 1).

**DECISION No 1/2018**  
**OF THE JOINT VETERINARY COMMITTEE**  
**SET UP BY THE AGREEMENT BETWEEN THE EUROPEAN COMMUNITY**  
**AND THE SWISS CONFEDERATION**  
**ON TRADE IN AGRICULTURAL PRODUCTS**

**of ...**

**on amending Appendix 6 of Annex 11 to the Agreement**

THE JOINT VETERINARY COMMITTEE,

Having regard to the Agreement between the European Community and the Swiss Confederation on trade in agricultural products<sup>1</sup> and in particular Article 19(3) of Annex 11 thereto,

---

<sup>1</sup> OJ L 114, 30.4.2002, p. 132.

Whereas:

- (1) The Agreement between the European Community and the Swiss Confederation on trade in agricultural products ('the Agriculture Agreement') entered into force on 1 June 2002.
- (2) Under Article 19(1) of Annex 11 to the Agriculture Agreement, the Joint Veterinary Committee set up by the Agriculture Agreement ('the Joint Veterinary Committee') is responsible for considering any matter arising in connection with that Annex and its implementation, and for carrying out the tasks provided for therein. Article 19(3) of Annex 11 authorises the Joint Veterinary Committee to amend the Appendices to that Annex, in particular with a view to their adaptation and updating.
- (3) Decision No 2/2003 of the Joint Veterinary Committee<sup>1</sup> amended Appendices 1, 2, 3, 4, 5, 6 and 11 of Annex 11 to the Agriculture Agreement for the first time.

---

<sup>1</sup> Decision No 2/2003 of the Joint Veterinary Committee set up by the Agreement between the European Community and the Swiss Confederation on trade in agricultural products of 25 November 2003 regarding the amendment of Appendices 1, 2, 3, 4, 5, 6 and 11 of Annex 11 to the Agreement (2004/78/EC) (OJ L 23, 28.1.2004, p. 27).

- (4) Decision No 1/2015 of the Joint Veterinary Committee<sup>1</sup> last amended Appendices 1, 2, 3, 4, 5, 6, 7, 10 and 11 of Annex 11 to the Agriculture Agreement.
- (5) Switzerland has benefited for several successive periods from a derogation with regard to the Trichinella examination of the carcasses and meat of domestic swine kept for fattening and slaughter in low-capacity slaughter establishments. No case of Trichinella has been found in Switzerland for more than 50 years. Switzerland also has a functioning detection system and has undertaken that all domestic pork meat placed on the market in the European Union will always have been subject to examination for Trichinella in the carcasses and meat. It is therefore possible to make the derogation permanent.
- (6) In order to avoid a discontinuation of existing and well-functioning practices and to ensure legal continuity which would not cause any foreseeable negative consequences, it is appropriate to apply this Decision retroactively with effect from 1 January 2017.
- (7) This Decision should enter into force on the day of its adoption.
- (8) Appendix 6 of Annex 11 to the Agriculture Agreement should therefore be amended,
