'I/A' ITEM NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee/Council

Subject: Proposal for a Directive of the European Parliament and of the Council amending Directive 2004/37/EC on the protection of workers from the risks related to exposure to carcinogens or mutagens at work **(First reading)**
- Adoption of the legislative act

1. On 13 May 2016 the Commission sent its proposal¹, based on Article 153(2) TFEU, to the Council.
2. The European Economic and Social Committee delivered its opinion on 21 September 2016². The Committee of the Regions was consulted.
3. The European Parliament adopted its position at first reading on the Commission proposal on 25 October 2017. The outcome of voting in the European Parliament reflects the compromise agreement reached between the institutions and should, therefore, be acceptable to the Council³.

¹ 8962/16.

² OJ C 487, 28.12.2016, p. 113.

³ 13570/17.

4. The Permanent Representatives Committee is therefore asked to confirm its agreement and to suggest that the Council approve the European Parliament's position, as set out in PE-CONS 45/17, as an 'A' item at a forthcoming meeting, with the Croatian, UK and Polish delegations abstaining.

If the Council approves the European Parliament's position, the legislative act will be adopted.

After being signed by the President of the European Parliament and the President of the Council, the legislative act will be published in the Official Journal of the European Union.
