on the position to be taken on behalf of the European Union in the Association Council set up by the Euro-Mediterranean Agreement establishing an Association between the European Community and its Member States, of the one part, and the People's Democratic Republic of Algeria, of the other part, as regards the amendment of that Agreement by replacing Protocol 6 thereto concerning the definition of the concept of 'originating products' and methods of administrative cooperation

Draft
DECISION No ...
OF THE EU-ALGERIA ASSOCIATION COUNCIL
of...

amending the Euro-Mediterranean Agreement establishing an association between the European Community and its Member States, of the one part, and the People's Democratic Republic of Algeria, of the other part, by replacing Protocol 6 thereto concerning the definition of the concept of 'originating products' and methods of administrative cooperation

THE EU-ALGERIA ASSOCIATION COUNCIL,

Having regard to the Euro-Mediterranean Agreement establishing an association between the European Community and its Member States, of the one part, and the People's Democratic Republic of Algeria, of the other part¹, and in particular Article 39 of its Protocol 6 concerning the definition of the concept of 'originating products' and methods of administrative cooperation,

Whereas:

- (1) Article 28 of the Euro-Mediterranean Agreement establishing an association between the European Community and its Member States, of the one part, and the People's Democratic Republic of Algeria, of the other part ('the Agreement'), refers to Protocol 6 to the Agreement which lays down the rules of origin.
- (2) Article 39 of Protocol 6 provides that the Association Council established by Article 92 of the Agreement may decide to amend the provisions of that protocol.
- (3) The Regional Convention on pan-Euro-Mediterranean preferential rules of origin² ('the Convention') aims to transpose the existing bilateral systems of rules of origin into a multilateral framework, without prejudice to the principles laid down in the relevant agreements concluded among the Contracting Parties.
- (4) The Union and Algeria signed the Convention on 15 June 2011 and 05 October 2012, respectively.
- (5) The Union and Algeria deposited their instruments of acceptance with the depositary of the Convention on 26 March 2012 and 27 January 2017, respectively. Consequently, in application of Article 10 of the Convention, the Convention entered into force in relation to the Union and Algeria on 1 May 2012 and on 1 March 2017, respectively.

¹ OJ L 265, 10.10.2005.

² OJ L 54, 26.02.2013.

- (6) The Convention was amended by Decision No 1/2023 of the Joint Committee of the Regional Convention on pan-Euro-Mediterranean Preferential Rules of Origin of 7 December 2023³.
- (7) Protocol 6 should therefore be replaced by a new protocol to include a dynamic reference to the Convention, so as to always refer to the latest version of the Convention in force,

HAS ADOPTED THIS DECISION:

Article 1

Protocol 6 to the Euro-Mediterranean Agreement establishing an association between the European Community and its Member States, of the one part, and the People's Democratic Republic of Algeria, of the other part, concerning the definition of the concept of 'originating products' and methods of administrative cooperation is replaced by the text set out in the Annex to this Decision.

Article 2

This Decision shall enter into force on the date of its adoption.

It shall apply from the first day of the first month following the date of the receipt of the latter written notification through diplomatic channels, by which the Parties inform each other of the completion of their internal requirements.
