1. Following the Council's adoption of Regulation (EU) No 1053/2013 establishing an evaluation and monitoring mechanism to verify the application of the Schengen acquis, a team of experts from the Member States and the Commission carried out an evaluation of Austria on the application of the Schengen acquis in the field of return in 2020.

In accordance with that Regulation, the Commission submitted to the Council a proposal for a Council Implementing Decision setting out a Recommendation designed to address the deficiencies identified in the course of the evaluation and ensure that Austria applies all Schengen rules related to return correctly and effectively.

3. From 1 October 2022, Council Regulation (EU) 2022/922 of 9 June 2022 on the establishment and operation of an evaluation and monitoring mechanism to verify the application of the Schengen acquis¹ applies. According to Article 31 (3) of that Regulation, for evaluations carried out before 1 February 2023, the adoption of evaluation reports and recommendations shall be carried out in accordance with Regulation (EU) No 1053/2013.
