 - State of play
- 15105/16 AGRILEG 188 CODEC 1795 + COR 1

The SCA took note of the debriefing of the last trilogue on 7 December as well as of the Presidency progress report that will be tabled at the "Agriculture and Fisheries" Council meeting on 12-13 December. Some Member States asked for changes to the progress report, namely in the sense of introducing a more balanced presentation of the positions of the Commission and of both co-legislators. The request was duly noted. However, the SCA took note of the Presidency's explanation that written changes were not possible at this stage due to time constraints.

4. **Organisation of future work**

The Presidency informed the SCA about the organisation of the "Agriculture and Fisheries" Council on 12 and 13 December 2016.
