'I/A' ITEM NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee/Council

Subject: Draft Regulation of the European Parliament and of the Council on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles, amending Regulations (EC) No 715/2007 and (EC) No 595/2009 and repealing Directive 2007/46/EC (**first reading**)
- Adoption of the legislative act

1. On 28 January 2016 the Commission sent the above proposal¹, based on Article 114 TFEU, to the Council.
2. The European Economic and Social Committee delivered its opinion on 19 August 2016².

¹ 5712/16.

² OJ C 303, 19.8.2016, p. 86.

3. On 18 April 2018 the European Parliament adopted its position at first reading on the Commission proposal. The outcome of voting in the European Parliament reflects the compromise agreement reached between the institutions and should, therefore, be acceptable to the Council³.
4. The Permanent Representatives Committee is therefore asked to confirm its agreement and to suggest that the Council:
 - approve the European Parliament's position, as set out in PE-CONS 73/17, as an "A" item at a forthcoming meeting, with Latvia, the Czech Republic, Slovakia and Germany abstaining;
 - order that the statements in the addendum to this note be entered in the minutes of that meeting.

If the Council approves the European Parliament's position, the legislative act will be adopted.

After being signed by the President of the European Parliament and the President of the Council, the legislative act will be published in the Official Journal of the European Union.

³ 8059/18.
