Subject:	Proposal for a Regulation of the European Parliament and of the Council amending Regulation (EU) 2018/1727 as regards the extension of the timeframe for the establishment of the Eurojust case management system - Agreement at technical level

---

At the COPEN meeting on 5 May 2025, all Member States indicated that they could agree with the text of the Commission proposal set out in 7638/25.

In this light, the Presidency concluded that the Council had reached an agreement, at technical level, on the text of this proposal.

As soon as the Irish position on a possible opt-in is known (see recital 7 of the proposal), the file will be submitted to Coreper for confirmation of the agreement and for obtaining a mandate to start trilogue negotiations with the European Parliament and the Commission.
