Subject:	Proposal for a REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL amending Regulation (EU) No 1305/2013 as regards specific measures to provide exceptional temporary support under EAFRD in response to the COVID-19 outbreak – Outcome of the European Parliament's first reading (Brussels, 17 to 19 June 2020)

I. INTRODUCTION

A number of informal contacts have taken place between the Council, the European Parliament and the Commission with a view to reaching an agreement on this file at first reading.

After the plenary approved the request of the Committee on Agriculture and Rural Development, to proceed according to the Rule 163 (urgent procedure) on 17 June 2020, the rapporteur, Norbert LINS (EPP, DE) presented a compromise amendment (amendment number 1) to the proposal for a Regulation on behalf of the Committee on Agriculture and Rural Development. This amendment had been agreed during the informal contacts referred to above.

II. VOTE

When it voted on 19 June 2020, the plenary adopted amendment 1 to the proposal for the Regulation and then adopted the proposal with this amendment in its final vote.

The Commission's proposal as thus amended constitutes the Parliament's first-reading position, which is contained in its legislative resolution as set out in the Annex hereto¹.

The Parliament's position reflects what had been previously agreed between the Institutions. The Council should therefore be in a position to approve the Parliament's position bringing to a close the first reading for both Institutions.

The legislative act would then be adopted in the wording which corresponds to the European Parliament's position.

¹ The version of the Parliament's position in the legislative resolution has been marked up to indicate the changes made by the amendments to the Commission's proposal. Additions to the Commission's text are highlighted in ***bold and italics***. The symbol "■" indicates deleted text.

Exceptional temporary support under EAFRD in response to the COVID-19 outbreak (amendment of Regulation (EU) No 1305/2013) *I**

European Parliament legislative resolution of 19 June 2020 on the proposal for a regulation of the European Parliament and of the Council amending Regulation (EU) No 1305/2013 as regards specific measures to provide exceptional temporary support under EAFRD in response to the COVID-19 outbreak (COM(2020)0186 – C9-0128/2020 – 2020/0075(COD))

(Ordinary legislative procedure: first reading)

The European Parliament,

- having regard to the Commission proposal to Parliament and the Council (COM(2020)0186),
 - having regard to Article 294(2) and Articles 42 and 43(2) of the Treaty on the Functioning of the European Union, pursuant to which the Commission submitted the proposal to Parliament (C9-0128/2020),
 - having regard to Article 294(3) of the Treaty on the Functioning of the European Union,
 - having regard to the opinion of the European Economic and Social Committee²,
 - having regard to the undertaking given by the Council representative by letter of 4 June 2020 to approve Parliament's position, in accordance with Article 294(4) of the Treaty on the Functioning of the European Union,
 - having regard to Rules 59 and 163 of its Rules of Procedure,
1. Adopts its position at first reading hereinafter set out;
 2. Calls on the Commission to refer the matter to Parliament again if it replaces, substantially amends or intends to substantially amend its proposal;
 3. Instructs its President to forward its position to the Council, the Commission and the national parliaments.

² Opinion of 11 June 2020.

Position of the European Parliament adopted at first reading on 19 June 2020 with a view to the adoption of Regulation (EU) 2020/... of the European Parliament and of the Council amending Regulation (EU) No 1305/2013 as regards a specific measure to provide exceptional temporary support under the European Agricultural Fund for Rural Development (EAFRD) in response to the COVID-19 outbreak

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 42 and Article 43(2) thereof,

Having regard to the proposal from the European Commission,

After transmission of the draft legislative act to the national parliaments,

Having regard to the opinion of the European Economic and Social Committee³,

Acting in accordance with the ordinary legislative procedure⁴,

³ Opinion of 11 June 2020 (not yet published in the Official Journal).

⁴ Position of the European Parliament of 19 June 2020.

Whereas:

- (1) Farmers and rural businesses have been affected by the consequences of the COVID-19 outbreak in an unprecedented manner. The extensive restrictions on movement put in place in the Member States, as well as mandatory closures of shops, outdoor markets, restaurants and other hospitality establishments, have created economic disruption to the agricultural sector and rural communities and have led to liquidity and cash-flow problems for farmers and for small businesses active in processing, marketing or development of agricultural products. This has created an exceptional situation which needs to be addressed.
- (2) In order to respond to the impact of the crisis arising from the COVID-19 outbreak (“the crisis”), a new exceptional and temporary measure should be adopted to address the liquidity problems that put at risk the continuity of farming activities and of small businesses active in processing, marketing or development of agricultural products.

- (3) ***That measure should enable Member States to make use of available funds under their existing rural development programmes in order to support farmers and small and medium-sized enterprises (SMEs) particularly affected by the crisis.*** The support, which aims to secure agro-business competitiveness and farm viability, should, with a view to best concentrating the available resources on beneficiaries that are suffering most from the crisis, be granted on the basis of objective and non-discriminatory criteria. In the case of farmers, such criteria may include production sectors, types of farming, farm structures, types of marketing of farm products, and number of seasonal workers employed; in the case of SMEs, such criteria may include types of sectors, types of activity, types of regions, and other specific constraints.
- (4) Because of the urgency and exceptional character of that measure, a one-off payment and a time limit for application of the measure should be set, while the principle that payments by the Commission are to be made in accordance with budget appropriations and subject to available funding needs to be recalled.
- (5) In order to give higher support where farmers or SMEs are most severely affected, it is appropriate to allow Member States to adjust the level of the lump-sums for certain categories of eligible beneficiaries, based on objective and non-discriminatory criteria.

- (6) In order to ensure adequate funding of the new measure without jeopardising other objectives of the rural development programmes, as set out in Regulation (EU) No 1305/2013 of the European Parliament and of the Council⁵, a maximum share of the Union contribution to that measure should be fixed.
- (7) Since the objective of this Regulation, namely to respond to the impact of the crisis by introducing a specific measure to provide exceptional temporary support under the EAFRD, cannot be sufficiently achieved by the Member States but can rather, by reason of the scale and effects of the proposed action, be better achieved at Union level, the Union may adopt measures, in accordance with the principle of subsidiarity as set out in Article 5 of the Treaty on European Union (TEU). In accordance with the principle of proportionality, as set out in that Article, this Regulation does not go beyond what is necessary to achieve that objective.

⁵ Regulation (EU) No 1305/2013 of the European Parliament and of the Council of 17 December 2013 on support for rural development by the European Agricultural Fund for Rural Development (EAFRD) and repealing Council Regulation (EC) No 1698/2005 (OJ L 347, 20.12.2013, p. 487).

- (8) Regulation (EU) No 1305/2013 should therefore be amended accordingly.
- (9) In view of the urgency of addressing the crisis, it was considered to be appropriate to provide for an exception to the eight-week period referred to in Article 4 of Protocol No 1 on the role of national Parliaments in the European Union, annexed to the TEU, to the Treaty on the Functioning of the European Union and to the Treaty establishing the European Atomic Energy Community.
- (10) Given the urgency of the situation related to the crisis, this Regulation should enter into force on the day of its publication in the *Official Journal of the European Union*,

HAVE ADOPTED THIS REGULATION:
