'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee/Council
Subject:	Draft REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL adapting a number of legal acts providing for the use of the regulatory procedure with scrutiny to Articles 290 and 291 of the Treaty on the Functioning of the European Union (first reading) - Adoption of the legislative act - Statement

Statement by the Commission

The Commission notes the choice of the legislators to provide for a limited duration for all the empowerments in which the regulatory procedure with scrutiny is aligned through this Regulation, coupled with a reporting obligation and tacit renewal of the empowerment. In particular in view of the high number of reports which would become due at regular intervals of time and the fact that easily available information about the use of the empowerments is available through the Register of Delegated Acts, the Commission underlines that it has discretion about the way in which it will comply with the reporting obligation. Where appropriate, the Commission may therefore group reports due under several basic acts in one single document.
