² OJ C 389, 21.10.2016, p. 67.

³ OJ C 185, 9.6.2017, p. 82.

4. On 16 April 2019 the European Parliament adopted its position at first reading on the Commission proposal. The outcome of voting in the European Parliament reflects the compromise agreement reached between the institutions and should, therefore, be acceptable to the Council⁴.
5. The Permanent Representatives Committee is therefore asked to confirm its agreement and to suggest that the Council:
 - approve the European Parliament's position, as set out in PE-CONS 59/19, as an "A" item at a forthcoming meeting, with the Netherlands voting against;
 - decide that the statements in the addendum to this note be entered in the minutes of that meeting.

If the Council approves the European Parliament's position, the legislative act will be adopted.

After being signed by the President of the European Parliament and the President of the Council, the legislative act will be published in the Official Journal of the European Union.
