RULES OF PROCEDURE OF THE REGIONAL STEERING COMMITTEE OF THE TRANSPORT COMMUNITY

I. GENERAL

1. These Rules of Procedure establish the internal procedures for operation of the Regional Steering Committee as an institution under the Treaty establishing the Transport Community ('the Treaty') between the European Union and the South East European Parties (the Republic of Albania, Bosnia and Herzegovina, the former Yugoslav Republic of Macedonia, Kosovo¹, Montenegro and the Republic of Serbia).
2. In case of any contradiction between these Rules of Procedure and the Treaty, the provisions of the Treaty shall apply.

II. MEMBERS, OBSERVERS AND OTHER PARTICIPANTS

1. The members of the Steering Committee should, in principle, be senior officials in the respective ministries in charge of transport.
2. The act of appointment of a member shall provide evidence that the member is mandated to express the position of the respective Contracting Party in a manner binding on that Party.
3. Without prejudice to the position of observers in accordance with the second sentence of Article 24(2) of the Treaty, the Presidency and the Vice-Presidency as referred to in paragraph 2 of Section III may, where appropriate, agree to invite representatives of other states, international organisations or other bodies, including representatives of the civil society, to attend, on an ad hoc basis, specific meetings of the Steering Committee or one or more parts thereof.
4. Where the Presidency and the Vice-Presidency agree to invite representatives of other states, international organisations or other bodies, the Presidency shall inform the Contracting Parties and the Permanent Secretariat of the Transport Community ('the Secretariat') at least three weeks before the meeting. The Contracting Parties and the Secretariat may submit their views to the Presidency within five working days from receiving this information.

III. PRESIDENCY

1. Each South East European Party shall hold the Presidency of the Steering Committee for one calendar year and shall follow in alphabetical order as provided in subparagraph (b) of Article 2(1) of the Treaty. The first South East European Party to hold the Presidency shall be the Republic of Albania.
2. The Presidency shall chair the Steering Committee meetings. It shall be assisted by one representative of the European Union who shall hold the Vice-Presidency.
3. Should the Presidency not be in a position to perform its duties for a particular meeting, that meeting shall be chaired by the representative of the European Union who holds the Vice-Presidency.

IV. PREPARATION OF MEETINGS

1. The meetings of the Steering Committee shall take place at the seat of the Secretariat. Nevertheless, the Presidency may decide on another place for a Steering Committee meeting after consultations with the Vice-Presidency and the Secretariat and considering the relevant

2. Contribution by the Secretariat to the organisational costs of the meetings outside the seat of the Secretariat shall be subject to its internal budgetary rules.

3. The dates of the meetings shall be agreed by the Presidency, the Vice-Presidency and the Secretariat. In principle, the dates shall be agreed at least two months prior to the relevant meeting.

4. The draft agenda of the meeting shall be agreed by the Presidency and the Vice-Presidency. The draft agenda and any documents related to it shall be distributed to the members and the observers at least six weeks prior to the relevant meeting. The members may make comments and propose new items to be added. Material of interest to other states, international organisations or other bodies invited in accordance with paragraph 3 of Section II shall also be distributed to them.

5. The Secretariat shall be responsible for the preparation of the meetings. It shall inform the Presidency and the Vice-Presidency periodically and upon request about the preparation process and follow their requests and guidance in this regard.

V. MEETINGS OF THE STEERING COMMITTEE - PROCEDURAL RULES

1. The meetings of the Steering Committee shall not be public unless the Steering Committee decides otherwise.

2. Any member of the Steering Committee, observer or other participant of the meeting may be accompanied by officials who assist them. The names and functions of those officials shall be notified in advance to the Secretariat. As a principle, those officials shall not be more than three for any member, and not more than two for any observer in the meeting. However, the Presidency may further advise on the maximum number of representatives per delegation.

3. The Steering Committee shall be considered as meeting the required quorum only if four South East European Parties and the European Union are represented.

4. Abstention by a member shall not prevent the Steering Committee from taking action provided that there is quorum as required by paragraph 3 of this Section.

5. The agenda for the meeting shall be approved at its beginning. In urgent circumstances, new items may be included during the meeting subject to the agreement of the Presidency and the Vice-Presidency.

6. Observers may participate in the discussions and may make statements upon permission or when invited by the Presidency. 7. Representatives of other states, international organisations or other bodies invited in accordance with paragraph 3 of Section II may participate in the discussions upon permission or when invited by the Presidency, but they shall not take part in the Steering Committee taking action of any kind.

8. The Conclusions of each meeting shall be drawn up with the assistance of the Secretariat.

9. The Conclusions shall record all measures adopted at the meeting as well as the positions of the members and any statement by observers regarding actions proposed to be taken by the Steering Committee.

10. The Conclusions shall be signed by the Presidency and distributed to the members and the observers. In case it is not possible to prepare the draft Conclusions by the end of the relevant meeting, the Presidency shall ensure that they are prepared and distributed within

seven calendar days after the meeting. Any member may request corrections within seven calendar days upon receipt of the draft Conclusions. The Presidency shall arrange that the final version is distributed within seven days upon the expiry of the deadline for comments.

11. The Conclusions of meetings may not in any way restrict the scope or effects of legal acts or the Treaty. No statements or conclusions which contradict binding legal provisions shall be made. The Conclusions of meetings shall not form part of legal acts, nor shall have any normative effect.

VI. FORMS OF ACTION AND PROCEDURE TO BE FOLLOWED BY THE STEERING COMMITTEE

General

1. The Steering Committee acts by adopting, according to the case, recommendations and decisions (together referred to as 'Measures').

The adoption of rules intended to ensure the functioning of the Steering Committee shall be considered as adoption of a decision.

2. Once a Measure is adopted or amended, it shall promptly be signed by the Presidency and then circulated by the Secretariat to all Contracting Parties.

3. Measures shall enter into force on the day of their adoption, unless they provide otherwise.

4. Unless otherwise specified in these Rules of Procedure, , the adoption or amendment of Measures shall follow the same procedure.

5. Any request for the adoption or amendment of a Measure from a member or the Secretariat shall be made in writing at least 30 calendar days before the meeting of the Steering Committee at which it shall be discussed.

6. The request shall be sent to the Presidency with copy to all members and the Secretariat. It shall be accompanied by relevant explanatory notes.

7. In duly justified cases, Measures may be adopted or amended without the forms and procedures set out in paragraphs 4 to 6 of this Section being respected.

Adoption of Measures by correspondence

8. The Steering Committee may, in the intervals between its meetings, adopt or amend Measures by correspondence. The Presidency, upon the request by a member or the Secretariat for a Measure to be taken by correspondence, or upon its own initiative shall decide, in consultation and agreement with the Vice-Presidency, whether the matter warrants that a procedure by correspondence be followed.

9. Where the Presidency has decided that a procedure by correspondence be followed, it shall instruct the Secretariat to dispatch the request to the members together with such information as the Presidency, in consultation and agreement with the Vice-Presidency, considers necessary. The Presidency, in consultation and agreement with the Vice-Presidency, shall also specify whether and, if so, under which conditions, amendments to the request may be made by the members.

10. The Presidency, in consultation and agreement with the Vice-Presidency, shall determine the date and hour by which responses must be received, which shall in no case be earlier than 10 calendar days from the date of transmission of the information referred to in paragraph 9 of this Section. In exceptional circumstances, upon request or at its own discretion, the Presidency may, in consultation and agreement with the Vice-Presidency,

extend the time limit for the receipt of responses. Any member who has not replied in writing, including through e-mail, within the given time limit shall be regarded as abstaining.

11. The Steering Committee shall act by unanimity. Unanimity shall be considered achieved where at least four South East European Parties and the European Union have responded in favour of the Measure concerned and no Party has opposed it.

VII. DISCLOSURE OF INFORMATION

1. Unless otherwise decided, the finalised documents of the meetings (agenda, Conclusions, etc.) shall be made public on the website of the Secretariat.

2. The right of access to documents held by the Steering Committee shall be laid down in accordance with Article 38(2) and (3) of the Treaty.

VIII. FINAL PROVISIONS

1. Observers and representatives of other states, international organisations or other bodies invited in accordance with paragraph 3 of Section II shall follow any requirements for confidentiality which apply to the members of the Steering Committee. Such requirements shall be reflected in the Conclusions of the relevant meeting.

2. Representatives of other states, international organisations or other bodies invited in accordance with paragraph 3 of Section II shall, prior to attending the relevant discussions, be requested to sign a confidentiality statement. Such confidentiality statement shall contain a commitment to respect the confidentiality rules referred to in paragraph 1 of this Section. They shall be excluded from those discussions in case they refuse to sign such statement.

3. All acts of the Steering Committee shall be signed by the Presidency.

4. Any amendments to these Rules of Procedure shall be adopted by a decision of the Steering Committee.

5. If application of these Rules of Procedure to a specific situation gives rise to a difficulty of interpretation, the Presidency, in consultation and agreement with the Vice-Presidency, shall provide advice to resolve the situation.

6. Following one year from the entry into force of these Rules of Procedure, based on the practical experience with their application, the Secretariat may propose amendments to these Rules of Procedure as it deems useful or necessary. Where a member of the Steering Committee wishes to propose such amendment, it shall consult first with the Secretariat.

These Rules of Procedure shall enter into force on the day of their adoption by the Steering Committee.
