Delegations are informed that the written procedure, opened by CM/3929 of 10 September 2025, was completed on 12 September 2025.

All delegations replied yes to all questions. The result of the written procedure is that the Council approved the text of the information paper, as set out in document set out in 12372/25 ADD1, and its submission by the Danish Presidency on behalf of the European Union and its Member States to the 42nd ICAO Assembly. Delegations confirmed their agreement that, if adjustments to the text of the information paper are necessary in order to ensure its sponsoring by other States, the text may be adapted provided that the changes do not affect the essence or the purpose of the information paper.

The Council Secretariat takes this opportunity to thank delegations for their kind cooperation.
