**VISA 140
COMIX 379**

NOTE

from:	General Secretariat
to:	Visa Working Party
Subject:	Exchange of statistical information on uniform visas issued by Member States' diplomatic missions and consular posts

The present revised version of the document has been issued for the purpose of presenting an improved lay out of the statistics. There are no changes of the statistics in substance.

In compliance with the Decision of the Executive Committee of 22 December 1994 on the exchange of statistical information on the issuing of uniform visas (SCH/Comex (94) 25), delegations will find attached the statistics detailing the total number of visas (A, B, C, D and LTV) issued by the Member States applying the Schengen acquis in full during the year 2009.

Some data are not fully coherent for certain locations for a number of Member States: "Total A,B,C visas applied for" minus "Total A,B,C visas not issued" is also not always equal to "Total A,B,C visas issued".

This explains why the 2009 total for all Member States (set out on the last page of this document) cannot be considered as exhaustive for these categories.

The statistics on visas issued by Bulgaria, Cyprus and Romania only concern national visas.
