INFORMATION NOTE

From: General Secretariat of the Council

To: Permanent Representatives Committee/Council

Subject: Proposals under the ordinary legislative procedure expected to undergo the Corrigendum Procedure in the European Parliament **(part I)**

1. In accordance with the provisions of Article 294 of the TFEU and the Joint Declaration on practical arrangements for the co-decision procedure¹, a number of informal contacts have taken place between the Council, the European Parliament (EP) and the Commission with a view to reaching an agreement at first reading on a series of proposals under the ordinary legislative procedure (OLP).
2. After analysis and confirmation of the provisional agreements by Coreper, the EP has adopted its first reading position, without legal-linguistic revision, on these proposals before the end of the 9th legislative term.
3. Once the legal-linguistic experts have revised the texts, the Corrigendum Procedure² will allow the Plenary of the incoming EP to approve as a corrigendum the legally revised text of its first reading positions.
4. If the EP Plenary approves the corrigenda, the Council should be able to approve the position of the EP on that basis, thus bringing to a close the first reading for both institutions.
5. The acts would then be adopted in the wording which corresponds to the Parliament's position.
6. Delegations will find in the Annexes to this document and document 10819/24 the list of proposals under the OLP which are expected to undergo the Corrigendum Procedure.
