NOTE

Subject: MONTHLY SUMMARY OF COUNCIL ACTS - AUGUST 2020

This document lists the acts¹ adopted by the Council in August 2020.²³

It provides information on the adoption of legislative and non-legislative acts, including:

- the date of adoption,
- the relevant Council session,
- the number of the document adopted,
- the Official Journal reference,
- reference to the minutes of the Council session when the act was adopted.

¹ For easy reference, the "short titles" as mentioned in the Council's agendas are also indicated (see in italics).

² With the exception of certain acts of limited scope such as procedural decisions, appointments, specific budgetary decisions, etc unless adopted by written procedure.

³ In the case of legislative acts adopted in the ordinary legislative procedure, there may be a difference between the date of the Council's meeting where the legislative act is adopted and the actual date of the act in question, since legislative acts adopted in the ordinary legislative procedure are only considered to have been adopted after signature by both the President of the Council and the President of the European Parliament and the Secretaries-General of the two institutions.

Public Access to Documents – Confirmatory application No 17/c/01/	9710/20
Statement by Sweden	
Sweden cannot fully concur with the draft reply. Sweden considers that full access should be granted to doc. 7864/19. It is not sufficiently motivated how a full disclosure would specifically and actually undermine the protection of the public interest as regards defence and military matters, and international relations. The same applies for doc. 7320/20 with the exception of points 28a-28c, points 48-53 and the last sentence of third para of point 12 for which access should not be granted.
