9957/15 PI 40 CODEC 885
 - + ADD 1
 - + ADD 2

"Estonia wishes to underline that it fully supports the trade mark reform and will not therefore oppose the adoption of the Regulation and the Directive.

However, Estonia wishes to express its concerns on the proposed administrative procedure for the revocation or declaration of invalidity of a trade mark. Estonia regrets that a satisfactory compromise was not found during the negotiations. We remain of the opinion that the proposed administrative procedure will not be efficient and will create additional administrative burden. Furthermore, it will completely change our current system, which has proved to be cost-efficient and effective, posing therefore systematic problems for our legal system."
