LEGISLATIVE ACTS AND OTHER INSTRUMENTS

Subject: COUNCIL IMPLEMENTING DECISION amending the Implementing Decision of 8 September 2021 on the approval of the assessment of the recovery and resilience plan for Czechia

1. On the cover page:

The Interinstitutional File number should read as follows: ‘2025/0170(NLE)’.

2. On page 5, recital (5):

For:

‘(5) Czechia has explained that five measures have been amended to implement better alternatives in order to increase the ambition of those measures. This concerns milestone 43 and target 44 of investment 3 (Supporting the development of 5G mobile infrastructure in rural investment-intensive white areas) under component 1.3 (High-Capacity Digital Networks), milestone 258 under investment 2 (Improvement of the management system for digitalised services) under component 1.7 (Digital Transformation of Public Administration), targets 117 under investment 2 (Building infrastructure – Recharging points for private companies), and target 119 under investment 4 (Investment 4: Aid for purchase of vehicles – vehicles (electric, H2,) for private companies) under component 2.4 (Clean Mobility), and targets 282 and 283 under reform 3 (Financial support for the preparation of projects in line with EU objectives) under component 4.1 (Systemic Support for Public Investment). On this basis, Czechia has requested that the level of ambition for the implementation of milestone 43 and targets 44, 117 and 119 be increased. Furthermore, Czechia has requested that targets 282 and 283 be merged and that the number of supported projects under the measure be increased. Czechia has also requested that the scope of milestone 258 be extended by increasing the number of activities to be implemented. The Council Implementing Decision of 8 September 2021 should be amended accordingly.’,

This concerns milestone 43 and target 44 of investment 3 (Supporting the development of 5G mobile infrastructure in rural investment-intensive white areas) under component 1.3 (High-Capacity Digital Networks), milestone 258 under investment 2 (Improvement of the management system for digitalised services) under component 1.7 (Digital Transformation of Public Administration), targets 117 under investment 2 (Building infrastructure – Recharging points for private companies), and target 119 under investment 4 (Investment 4: Aid for purchase of vehicles – vehicles (electric, H₂) for private companies) under component 2.4 (Clean Mobility), and targets 282 and 283 under reform 3 (Financial support for the preparation of projects in line with EU objectives) under component 4.1 (Systemic Support for Public Investment). On this basis, Czechia has requested that the level of ambition for the implementation of milestone 43 and targets 44, 117 and 119 be increased. Furthermore, Czechia has requested that targets 282 and 283 be merged and that the number of supported projects under the measure be increased. Czechia has also requested that the scope of milestone 258 be extended by increasing the number of activities to be implemented. The Council Implementing Decision of 8 September 2021 should be amended accordingly.’.

3. On page 17, recital (19):

For:

‘(19) The amendments concerning the contribution to the green transition relate to the reallocation of financial resources among investment 1 (Application of modern technologies to railway infrastructure) under component 2.1 (Sustainable Transport), investment 1 (Improving the energy performance of state buildings) under component 2.2 (Reducing Energy Consumption in the Public Sector), investment 4 (Aid for purchase of vehicles – vehicles (electric, H2) for private companies) under component 2.4 (Clean Mobility), investment 2 (Circular solutions in businesses) under component 2.7 (Circular Economy, Recycling and Industrial Water), investment 2 (Rainwater Management in urban agglomerations), investment 3 (Management of Natura 2000 sites and protected species of plants and animals) and investment 4 (Adaptation of aquatic, non-forest and forest ecosystems to climate change) under component 2.9 (Promotion of Biodiversity and Fight Against Drought), investment 2 (Increasing the capacity of pre-school facilities), investment 3 (Development and modernisation of social care infrastructure) and investment 4 (Development and modernisation of infrastructure in the field of care for children at risk) under component 3.3 (Modernisation of Employment Services and Labour Market Development), investment 1 (Development of a new line of quasi-equity and green loan instruments supporting entrepreneurship) under component 4.2 (New Quasi-Equity Instruments for the Promotion of Entrepreneurship and Development of Czech-Moravian Guarantee and Development Bank (ČMZRB) as a National Development Bank), investment 1 (Construction, refurbishment and upgrade of distribution networks) under component 7.1 (Renewable energy and electricity infrastructure (REPowerEU)) and reform 3 (Electricity Data Centre) under component 7.2 (Supporting decentralisation and digitalisation of the energy sector (REPowerEU)). This entails no change in the overall contribution to the climate target. The limited scope of the amendments does not change the overall assessment of this criterion.’
