Amendments to the Agreement

The Agreement is amended as follows:

- (1) in the preamble, the following recitals are inserted after the second recital:

"RECOGNISING that the freedom of movement is an important aspect of the internal market and that securing the right of nationals of the Contracting Parties, as well as their family members, to enter and reside in the respective territories free of unjustified restrictions and in full compliance with the right of equal treatment, serves to strengthen the functioning of the parts of the internal market in which Switzerland participates;

CONSCIOUS of ensuring uniformity in the parts of the internal market in which Switzerland participates, it being understood that the Agreement is to be interpreted in accordance with the uniform interpretation principle set out in Article 7 of the Institutional Protocol to this Agreement and that the competence of the Swiss Federal Court and all other Swiss courts as well as that of the Member States' courts and the Court of Justice of the European Union to interpret this Agreement in individual cases is preserved;

RECALLING that the freedom of movement and the right to equal treatment extends to nationals of one Contracting Party who exercise or seek to exercise their free-movement rights without having moved or without having yet moved to reside in the territory of another Contracting Party, and that certain rights linked to the past exercise of free movement, including the right to equal treatment, may continue to apply after the national of a Contracting Party has ceased residing in the territory of another Contracting Party;

FURTHER RECALLING that the free movement of persons encompasses workers, self-employed persons and persons who are economically inactive, provided that such persons comply with the requirements for lawful residence set out in this Agreement, including, where applicable, the possession of sufficient resources and comprehensive sickness insurance, so as not to become an unreasonable burden on the social assistance systems of the Contracting Parties;

A person providing services who has the right or has been authorised to provide a service may, for the purposes of its provision, temporarily pursue his activity in the state in which the service is provided on the same terms as those imposed by that state on its own nationals, in accordance with the provisions of this Agreement and Annexes I, II and III.

ARTICLE 5d

Rules regarding the residence of persons providing services

1. Persons providing services who are nationals of the Member States of the Union or Switzerland and are established in the territory of a Contracting Party other than that of the person receiving services and employees, irrespective of their nationality, of persons providing services, who are integrated into one Contracting Party's regular labour market and posted for the provision of a service in the territory of another Contracting Party who have the right, or have been authorised, to provide a service for a period exceeding 90 days of actual work per calendar year shall receive, to substantiate that right, a residence permit for a period equal to that of the provision of services exceeding 90 days of actual work per calendar year.

2. For the purposes of issuing the residence permits referred to in paragraph 1, the Contracting Parties may not require of the persons referred to in that paragraph more than:

- (a) a valid identity card or passport, without prejudice to Article 7i;

2. The provisions of paragraph 1 shall be without prejudice to the discharge by the person providing a service of his legal obligations under the guarantee given to the person receiving the service or to causes of force majeure.

ARTICLE 5f

Rules applicable to the provision of services

1. The provisions of Articles 5a and 5c shall not apply to activities involving, even on an occasional basis, the exercise of public authority in the Contracting Party concerned.

3. The provisions of point (a) of Article 5a, and Article 5c shall be without prejudice to the applicability of the laws, regulations and administrative provisions prevailing in all Contracting Parties at the time of this Agreement's entry into force on 1 June 2002 in respect of:

- (i) the activities of temporary and interim employment agencies; in particular, Switzerland's dynamic alignment to Regulation (EU) 2016/589* shall not result in Switzerland no longer being able to apply its national laws, regulations and administrative provisions to these activities;

2. Switzerland shall define autonomously the control quantity and control density, as well as the sectors and areas to be controlled, including sectors and areas not covered by the prior notification period of a maximum of four working days, on the basis of an objective risk analysis, in a proportionate and non-discriminatory manner, taking into account that this Agreement limits the freedom to provide services to 90 days of actual work per calendar year.

ARTICLE 5h

Financial guarantees and sanctions

Where service providers have failed to meet their financial obligations towards enforcement authorities and bodies referred to in the Joint Declaration on effective control systems including Switzerland's dual enforcement system with regard to a previous provision of services, Switzerland shall be able to require the deposit of a proportionate financial guarantee before such service providers may provide services again in sectors determined on the basis of an autonomous and objective risk analysis.

In case of non-payment of the financial guarantee, Switzerland shall be able to impose proportionate sanctions up to the prohibition to provide services until the payment of the guarantee.

ARTICLE 5j

Non-regression

1. In order to maintain the level of protection of posted workers as agreed between Switzerland and the Union in this Agreement at the time of the entry into force of the Amending Protocol, amendments to Directives 96/71/EC** and 2014/67/EU*** of the European Parliament and of the Council or new legal acts of the Union in the area of posting of workers shall, notwithstanding Article 5 of the Institutional Protocol to this Agreement, not be integrated into this Agreement to the extent that their effect would be to meaningfully weaken or reduce the level of protection of posted workers with regard to the terms and conditions of employment, notably remuneration and allowances.
2. For the purposes of paragraph 1, any change to the level of protection of posted workers shall be assessed in its globality, taking into account all relevant provisions of this Agreement.

The competent authorities shall issue a declaratory registration certificate to the frontier worker free of charge or for a charge not exceeding that imposed on nationals for the issuing of similar documents.

1. A student who does not have a right of residence in the territory of the other Contracting Party on the basis of any other provision of this Agreement may be required to register in accordance with the acts referred to in Annex I. For the purpose of clarity, the foregoing sentence shall not imply an obligation for the Contracting Parties to modify their respective admission systems nor to increase the aforementioned level of students or to reserve a minimal level of places for students from the other Contracting Parties;
 - (c) the Contracting Parties shall not discriminate amongst nationals of the other Contracting Parties in application of points (a) and (b).

For the purpose of calculating the periods necessary for the acquisition of the right of permanent residence in accordance with the first paragraph, Switzerland and the Member States of the Union may decide not to take into account periods of six months or more during which the person is fully reliant on social assistance.

Subject to the Joint Declaration on refusing social assistance and terminating residence prior to the acquisition of permanent residence and in accordance with Article 10(6) of the Institutional Protocol to this Agreement, Article 7 of Directive 2004/38/EC** shall remain applicable to persons who do not qualify for the right of permanent residence.

Therefore, the following developments introduced by Chapter VI of Directive 2004/38/EC*** going beyond those obligations, namely enhanced protection against expulsion provided for in Article 28(2) and (3) of that Directive, as well as the case-law of the Court of Justice of the European Union regarding to those paragraphs, do not apply.

2. No provision of this Agreement may be interpreted in such a way as to prevent the Contracting Parties from distinguishing, when applying the relevant provisions of their tax legislation, between taxpayers whose situations are not comparable, especially as regards their place of residence. However, this shall not constitute a means of discrimination or restriction on the rights of persons as defined under this Agreement.
3. No provision of this Agreement shall prevent the Contracting Parties from adopting or applying measures to ensure the imposition, payment and effective recovery of taxes or to forestall tax avoidance or evasion under their national tax legislation or any other international or bilateral agreement or arrangement relating, wholly or mainly, to taxation that either Switzerland, the Union or any Member State of the Union are party to.";

PROTOCOL
ON SECONDARY RESIDENCES IN DENMARK

The Contracting Parties agree that Protocol No 32 on the acquisition of property in Denmark, annexed to the Treaty on European Union and to the Treaty on the Functioning of the European Union also applies to this Agreement concerning Swiss nationals' acquisition of second homes in Denmark.

PROTOCOL
ON THE ACQUISITION OF IMMOVABLE PROPERTY IN MALTA

Purchase of property in the Maltese islands is regulated by the Immovable Property (Acquisition by Non-Residents) Act (Chapter 246 of the Laws of Malta).

That Act provides that:

- (a) A Swiss national may purchase immovable property in Malta:
 - (1) If the property is going to be used as a primary residence or if the applicant has lived in Malta as a resident for a period of over 5 years or if the property is going to be used for business purposes there are no restrictions.

- (2) If the property is going to be used for secondary residence purposes and applicant did not live in Malta for a period of 5 years, an Acquisition of Immovable Property (AIP) permit is required and is subject to conditions as stipulated in the Immovable Property (Acquisitions by Non-residents) Act, including a minimum price of EUR 174 274 for apartments and EUR 300 619 for houses (minimum prices are adjusted yearly in accordance with the property index as outlined in the Immovable Property Price Index Notice [Subsidiary Legislation 246.08 of the Laws of Malta]). Such purchases do not require the person to have a right of residence in Malta.
- (b) Swiss nationals may also set up their primary residence in Malta at any time in accordance with the relevant national legislation. Leaving Malta shall not entail any obligation to dispose of any property acquired as a primary residence.
- (c) Swiss nationals who purchase properties in special designated areas established by the Act (usually areas forming part of urban regeneration projects) do not require a permit for such purchases, neither are they limited in the number, use or value of such properties that they may purchase.

PROTOCOL
ON LONG-TERM RESIDENCE PERMITS

THE EUROPEAN UNION, hereinafter referred to as the "Union",

and

THE SWISS CONFEDERATION, hereinafter referred to as "Switzerland";

have agreed as follows:

1. The granting of long-term residence permits is a question of the law of the Union in accordance with the Treaties and of the law of Switzerland, respectively, and does not fall under the scope of the Agreement on the free movement of persons (hereinafter referred to as the "Agreement"). Thus, the Institutional Protocol to the Agreement shall not apply to this Protocol.
2. Where Switzerland and the Member States of the Union grant each other's nationals long-term residence permits under the respective laws referred to in point 1, those rules shall be applied in a non-discriminatory manner, notably with regard to the minimum duration of prior residence of five years required.
3. The applicable rules of the Union and Switzerland shall remain comparable in terms of other conditions and requirements, it being understood that the conditions and requirements lie within the competence of the Union in accordance with the Treaties and of Switzerland, respectively.

4. Points 1, 2 and 3 shall be without prejudice to
 - (a) the rules on permanent residence provided for in Directive 2004/38/EC¹, and
 - (b) provisions for third-country nationals laid down in bilateral agreements already concluded between a Member State of the Union and Switzerland before the date of the entry into force of the Amending Protocol to this Agreement that are more favourable than the applicable rules of the Union and Switzerland.

5. Notwithstanding point 1 of this Protocol, Article 10(1), (2) and (5) of the Institutional Protocol to the Agreement shall apply *mutatis mutandis* to disputes arising from points 2 and 3 of this Protocol. In those cases, Article 11 of the Institutional Protocol to the Agreement shall also apply *mutatis mutandis*, except that proportionate compensatory measures may only be adopted within the framework of the Agreement.

The Appendix to the Institutional Protocol to the Agreement on the Arbitral Tribunal shall apply *mutatis mutandis*, except for Articles I.4 paragraph 4, III.4 paragraph 3 second sentence, III.5 paragraph 2 third sentence, III.9 and III.10 paragraph 5.

¹ Directive 2004/38/EC (OJ L 158, 30.4.2004, p 77), as applicable in accordance with Annex I to the Agreement.

JOINT DECLARATION ON UNION CITIZENSHIP

The concept of Union citizenship as introduced by the Treaty of Maastricht (now Article 9 of the Treaty on European Union and Article 20(1) of the Treaty on the Functioning of the European Union) has no equivalent in the Agreement on the free movement of persons.

It follows that the integration of Directive 2004/38/EC into the Agreement, subject to the exceptions set out in the Agreement, shall be without prejudice to the evaluation of the relevance for the Agreement of future Union legislation as well as case law of the Court of Justice of the European Union, prior or subsequent to the signature of the Agreement, based on the concept of Union citizenship. That relevance shall be determined, in accordance with the Agreement on the free movement of persons, including the provisions of the Institutional Protocol to the Agreement.

The Agreement does not provide a legal basis for political rights of nationals of the Member States and Switzerland.

JOINT DECLARATION
ON PREVENTING AND ACTING AGAINST ABUSE OF RIGHTS
CONFERRED BY DIRECTIVE 2004/38/EC

The Contracting Parties confirm the common objective of preventing and acting against abuse of rights conferred by Directive 2004/38/EC¹, in accordance with Article 35 of that Directive, notably in relation to access to social assistance.

JOINT DECLARATION
ON REFUSING SOCIAL ASSISTANCE AND TERMINATING RESIDENCE
PRIOR TO THE ACQUISITION OF PERMANENT RESIDENCE

The Contracting Parties share the view that Union citizens and Swiss nationals should not become an unreasonable burden on the social assistance systems of, respectively, Switzerland and the Member States. For this reason, the Parties:

- (i) may, during the first three months of residence, refuse access to social assistance to persons who are not workers, self-employed persons, or persons who retain worker or self-employed status and their family members without carrying out an individual assessment of the person's situation;
- (ii) may refuse to grant social assistance to economically inactive persons who do not comply with the requirement to possess sufficient resources for themselves and the members of their family;

¹ Directive 2004/38/EC (OJ L 158, 30.4.2004, p. 77), as applicable according to Annex I to the Agreement.

- (iii) may, for first-time jobseekers and persons who do not retain worker or self-employed status, refuse to grant social assistance without carrying out an individual assessment of the person's situation.

In accordance with Article 14 and Article 15 of Directive 2004/38/EC¹, Switzerland and the Member States may expel persons who no longer satisfy the requirements for a right of residence, such as persons who no longer retain worker or self-employed status and do not enjoy residence rights based on other provisions of the Directive. To retain worker status, workers or self-employed persons, other than those who are temporarily unable to work as a result of an illness or accident, who have become involuntarily unemployed must register as jobseekers with the relevant employment offices and fulfil the requirements to continue to be registered as jobseekers with the public employment services, provided these requirements are not discriminatory. In this context, the host State may take into account, on a case-by-case basis and by applying the same standard to its own nationals, whether a jobseeker is genuinely cooperating in good faith with the relevant office with a view to re-entering the job market. The objective of this cooperation is for the jobseeker to find a job in a reasonable period of time.

This should be applied in accordance with the principle of proportionality.

¹ Directive 2004/38/EC (OJ L 158, 30.4.2004, p. 77), as applicable according to Annex I to the Agreement.

JOINT DECLARATION
ON THE NOTIFICATION OF THE TAKING UP OF EMPLOYMENT

The Contracting Parties share the view that the dynamic alignment by Switzerland with legal acts of the Union in the area of free movement of persons should be without prejudice to the application of proportionate and non-discriminatory administrative obligations on employers to notify the authorities of the taking up of employment, such as the Swiss notification procedure for work-related short-term stays, intended to enable the relevant authorities to conduct efficient labour market controls.

Any such administrative obligations should not affect the person's right of residence, including for the purpose of acquiring permanent residence.

JOINT DECLARATION
ON THE CONVENTION OF THE RECOGNITION OF QUALIFICATIONS

The Contracting Parties note that all Member States and Switzerland are parties to the Convention on the Recognition of Qualifications concerning Higher Education in the European Region and confirm that they comply with it, as in force at the date of signature of the Amending Protocol, in the implementation of the Agreement.

JOINT DECLARATION ON JOB VACANCIES

The Swiss dynamic alignment to the EURES acquis should not interfere with national legislation implementing Article 121a of the Swiss Federal Constitution, which foresees an obligation for Swiss employers to register vacancies of specific professions with above-average level of unemployment with the regional employment centre (RAV) before the vacancies go public and are transmitted to the EURES portal.

JOINT DECLARATION ON COMMON OBJECTIVES REGARDING THE FREEDOM TO PROVIDE SERVICES UP TO 90 WORKING DAYS AND ENSURING POSTED WORKERS' RIGHTS

Switzerland and the Union share the common objective of granting their citizens as well as their economic operators fair conditions for the freedom to provide services for up to 90 days of actual work per calendar year (which includes the posting of workers) while fully ensuring the rights of workers.

Switzerland and the Union share the view that proportionate and non-discriminatory controls are necessary to ensure the freedom to provide services and the correct and effective application of the rules protecting workers by preventing abuse and circumvention.

JOINT DECLARATION
ON EFFECTIVE CONTROL SYSTEMS
INCLUDING SWITZERLAND'S DUAL ENFORCEMENT SYSTEM

The Contracting Parties declare that the control systems put in place by Switzerland and the Member States should be suitable, effective and non-discriminatory. The competent enforcement bodies under national law should carry out effective controls on their territory in order to ensure compliance with the applicable rules and regulations. The responsibility for conducting effective controls to ensure compliance with the applicable rules and regulations lies with the designated authorities and other relevant monitoring and enforcement bodies under national law, which, as in the case of Switzerland, can include social partners, in accordance with Switzerland's dual enforcement system. This arrangement ensures that the control and sanction powers of these entities are upheld and respected. Controls should be carried out in a proportionate and non-discriminatory manner, taking into account that the Agreement limits the freedom to provide services to 90 days of actual work per calendar year.

JOINT DECLARATION ON THE PRINCIPLE
OF "EQUAL PAY FOR EQUAL WORK IN THE SAME PLACE"
AND ON A PROPORTIONATE AND ADEQUATE LEVEL
OF PROTECTION OF POSTED WORKERS

Considering their common objective of upholding the principle of "equal pay for equal work in the same place" and that Switzerland has been applying this principle since the entry into force of the Agreement on 1 June 2002 and has strengthened its implementation in recent years on the basis of an objective risk analysis and the proportionality of controls, Switzerland and the Union both can guarantee a proportionate and adequate level of protection. Their aim is to guarantee the freedom to provide services while ensuring the fair and effective enforcement of regulations, thereby preventing any instances of abuse or circumvention.

JOINT DECLARATION
ON THE PARTICIPATION OF SWITZERLAND
IN THE ACTIVITIES OF THE EUROPEAN LABOUR AUTHORITY

Switzerland should be able to continue participating in the meetings and deliberations of the Management Board of the European Labour Authority as observer, without prejudice to working arrangements the Authority could establish with Switzerland in line with Article 42 of Regulation (EU) 2019/1149¹.

¹ Regulation (EU) 2019/1149 of the European Parliament and of the Council of 20 June 2019 establishing a European Labour Authority, amending Regulations (EC) No 883/2004, (EU) No 492/2011, and (EU) 2016/589 and repealing Decision (EU) 2016/344 (OJ L 186, 11.7.2019, p. 21), including any subsequent amendments.

JOINT DECLARATION
ON THE DECLARATORY REGISTRATION SYSTEM
OF FRONTIER WORKERS

The Contracting Parties agree that, should Switzerland consider registering frontier workers for declaratory purposes in accordance with Article 7a of the Agreement, it should address this with the neighbouring Member States in the relevant bilateral fora. Such discussions should not result in any differentiated treatment between frontier workers under the Agreement and are without prejudice to the rights and obligations of the frontier workers under the Agreement.

JOINT DECLARATION
CONCERNING THE INCLUSIONS OF TWO EU LEGAL ACTS
IN ANNEX I TO THE AGREEMENT

The Contracting Parties share the view that Regulation (EU) 2024/2747¹ falls partly under the scope of the Agreement. They agree that the Joint Committee shall take the measures necessary to ensure the integration of this Regulation into Annex I to the Agreement immediately following the entry into force of the Amending Protocol to the Agreement. The integration shall take into account the Regulation's horizontal character and potential links to other bilateral agreements between the Contracting Parties.

¹ Regulation (EU) 2024/2747 of the European Parliament and of the Council of 9 October 2024 establishing a framework of measures related to an internal market emergency and to the resilience of the internal market and amending Council Regulation (EC) No 2679/98 (Internal Market Emergency and Resilience Act) (OJ L, 2024/2747, 8.11.2024).

The Contracting Parties share the view that Directive (EU) 2024/2841¹ falls under the scope of the Agreement. They agree that the Joint Committee shall take the measures necessary to ensure the integration of this Directive into Annex I to the Agreement immediately following the entry into force of the Amending Protocol to the Agreement.

¹ Directive (EU) 2024/2841 of the European Parliament and of the Council of 23 October 2024 establishing the European Disability Card and the European Parking Card for persons with disabilities (OJ L, 2024/2841, 14.11.2024).

DECLARATION BY SWITZERLAND
ON MEASURES TO BE TAKEN IN RESPECT OF SELF-EMPLOYED PERSONS
IN THE CONTEXT OF THE NOTIFICATION PROCEDURE
FOR WORK-RELATED SHORT-TERM STAYS

Switzerland declares that, in the light of the solutions on the posting of workers described in Annex I to the Agreement and the Joint Declaration on the notification of the taking up of employment, it will, if necessary, take measures to ensure that self-employed persons do not circumvent these rules.
