EXPLANATORY MEMORANDUM

1. CONTEXT OF THE DELEGATED ACT

Articles 18(6) of Regulation (EU) No 648/2012 empower the Commission to adopt, following submission of draft standards by the European Securities and Markets Authority (ESMA), and in accordance with Article 10 of Regulation (EU) No 1095/2010, delegated acts on regulatory technical standards regarding the conditions under which the Union currencies of the financial instruments cleared are considered as the most relevant for the participation of their central bank of issue in CCPs' colleges and the details of the practical arrangements for the establishment and functioning of these colleges.

In accordance with Articles 10 to 15 of Regulation (EU) No 1095/2010 establishing ESMA, the Commission shall decide within three months of receipt of the draft standards whether to endorse the drafts submitted. The Commission may also endorse the draft standards in part only, or with amendments, where the Union's interests so require, having regard to the specific procedure laid down in those Articles.

2. CONSULTATIONS PRIOR TO THE ADOPTION OF THE ACT

In accordance with the third subparagraph of Article 10(1) of Regulation (EU) No 1095/2010, ESMA has carried out a public consultation on the draft technical standards submitted to the Commission in accordance with Articles of Regulation (EU) No 648/2012. A consultation paper was published on the ESMA internet site on 26 June 2012, and the consultation closed on 5 August 2012. Prior to the publication of the Regulation on 27 July 2012, ESMA released a discussion paper¹ (DP) on the basis of the political agreement on EMIR reached on 9 February 2012. This document presented preliminary views and possible options for the development of the draft technical standards ESMA is required to develop.

Moreover, ESMA also consulted i) the Post-Trading Consultative Working Group which was asked in September 2011 to respond to a call for input; ii) the Securities and Markets Stakeholder Group (SMSG), which provided advice on both the DP and the CP; iii) the authorities that ESMA is required to consult under the different articles of Regulation (EU) No 648/2012. ESMA held two opening hearings on 6 March 2012 and 12 July 2012. Together with the draft technical standards, ESMA has submitted an explanation of how the outcome of these consultations has been taken into account in the development of the final draft technical standards submitted to the Commission.

3. ANALYSIS OF COSTS AND BENEFITS

Together with the draft technical standards, and in accordance with the third subparagraph of Article 10(1) of Regulation (EU) No 1095/2010, ESMA has submitted an analysis of the costs and benefits related to the draft technical standards submitted to the Commission. This analysis is available at:

COMMISSION DELEGATED REGULATION (EU) No .../..

of 28.5.2013

supplementing Regulation (EU) No 648/2012 of the European Parliament and of the Council of 4 July 2012 with regard to regulatory technical standards on colleges for central counterparties

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,
Having regard to Regulation (EU) No 648/2012 of the European Parliament and of the Council of 4 July 2012 on OTC derivatives, central counterparties and trade repositories², and in particular Article 18(6), thereof,
Whereas:

- (1) In order to ensure a consistent and coherent functioning of colleges across the Union it is necessary to specify the arrangements for the participation in the colleges for CCPs to facilitate the exercise of the tasks specified in Regulation (EU) No 648/2012.
- (2) The exclusion of a central bank of issue of a relevant Union currency of financial instruments cleared in the CCP does not affect the rights of such central bank of issue to request and receive information in accordance with Article 18(3) and Article 84 of Regulation (EU) No 648/2012.
- (3) The activity of a CCP may be relevant for a particular central bank of issue in view of the volumes cleared in the currency issued by such central bank. However, the relevance of a currency for the participation of a central bank of issue in the college of the CCP should be determined by the share represented by that currency from among the CCP's average open cleared positions, in order to maintain a proportionate size of the college.
- (4) To ensure college meetings achieve an effective result, the objectives of any meeting or activity of the college should be clearly identified by the competent authority of the CCP, in consultation with the college members. Those objectives should be circulated well in advance to the participants together with documentation prepared by the CCP's competent authority or by other members of the college, so as to create effective discussion.
- (5) The function of colleges is to facilitate the exercise of the tasks specified in Regulation (EU) No 648/2012 and the tasks assigned to college members as well as their composition, establishment and management of colleges have been articulated by the legislator in the Regulation as legal obligations and, therefore, they are binding and

² OJ L 201. 27.7.2012, p. 1.

directly applicable in all Members States. For the practical functioning of a college a written agreement should be adopted by the members of that college. In order to ensure the use of standard written agreements across CCP colleges, incorporating best practice on college operations, consistent approaches by competent authorities, and to facilitate the swift establishment of CCP colleges within the deadline established by Article 18(1) of Regulation (EU) No 648/2012, ESMA should issue Guidelines and Recommendations in accordance with the procedure laid down in Article 16 of Regulation (EU) no 1095/2010.

- (6) Nothing in this act should prejudice the power of the Commission to launch infringement proceedings in accordance with Article 258 of the TFEU, as well as the actions provided for in Articles 265 and 271(d) of the TFEU.
- (7) To ensure the timely and up to date exchange of information amongst college members, the college should meet regularly and allow the opportunity for college members to discuss and provide input to the competent authority's review of the arrangements, strategy, process and mechanism employed by the CCP to comply with Regulation (EU) No 648/2012, as well as to discuss the competent authority's evaluation of the risks to which the CCP is, or may be, exposed and that it could pose.
- (8) To ensure all the views of the college members are duly taken into account, the competent authority should do its utmost to ensure that any disagreement among authorities that are to become members of a college are resolved before finalising the written agreement for the establishment and functioning of the college. ESMA should facilitate the finalisation of the agreement through its mediation role, where appropriate.
- (9) This Regulation is based on the draft regulatory technical standards submitted by the European Securities and Markets Authority (ESMA) to the Commission.
- (10) ESMA has consulted, where relevant, the European Banking Authority (EBA), the European Systemic Risk Board and the members of the European System of Central Banks (ESCB) before submitting the draft technical standards on which this Regulation is based. In accordance with Article 10 of Regulation (EU) No 1095/2010 of the European Parliament and the Council of 24 November 2012 establishing a European Supervisory Authority (European Securities and Markets Authority)³, ESMA has conducted open public consultations on such draft regulatory technical standards, analysed the potential related costs and benefits and requested the opinion of the Securities and Markets Stakeholder Group established in accordance with Article 37 of Regulation (EU) No 1095/2010.

HAS ADOPTED THIS REGULATION:
