**Requested document(s)**

Request for access to documents under Regulation (EC) No 1049/2001 – Council internal reporting on Moldova constitutional crisis (June 2019)

Dear Sir or Madam,

Under Regulation (EC) No 1049/2001, I request access to documents containing internal reporting, analysis, and coordination within the Council concerning the constitutional crisis in the Republic of Moldova in June 2019.

This request covers:

Situation reports, flash reports, and internal briefings prepared by the Council Secretariat;  
Notes to COREPER or PSC summarising developments and EU positioning; FAC reports;  
Internal summaries of Member State positions;  
Follow-up reporting assessing the outcome and EU response.

As these documents relate to a concluded political episode, I consider that Article 4(3) cannot justify a general refusal.

Yours faithfully,

**Subject:** Re: Refs 26/1633, 26/1541, 26/1544

Hello,

I did not receive any information about why my transparency request is not being addressed. Therefore I would like to file a confirmatory application for my requests under reference **Refs 26/1633, 26/1541, 26/1544.**

I believe these documents must for academic purposes fine to release (or parts ?), unless there is a problem I am not aware of.

Thank you
