Secretariat for EU and International Affairs

### Information note on the *UN Food Systems Summit +2 Stocktaking Moment*

The UN Secretary-General has invited all UN Member States to the *UN Food Systems Summit +2 Stocktaking Moment* to take place in Rome 24-26 July 2023, at the premises of the Food and Agriculture Organization of the United Nations (FAO), hosted by Italy and the UN. The invitation has been addressed to heads of state and government asking countries to participate in the Stocktaking Moment at least at Ministerial level.

The 2023 Stocktaking Moment is the first of its kind following the 2021 UN Food Systems Summit at which the Secretary-General committed to convening global stocktaking meetings every two years to review progress in implementing the outcomes of the summit and its contributions to the achievement of the 2030 Agenda.

The Stocktaking Moment presents an important opportunity to review commitments made and share good practices on food systems transformation. Its outcome will feed into the 2023 SDG Summit that will take place 18 - 19 September during the UN General Assembly high-level week.
