1. On the occasion of the 18 February 2020 update of the EU list of non-cooperative jurisdictions for tax purposes the ECOFIN Ministers agreed that the next update would take place in the ECOFIN Council of October 2020.

2. In that spirit the Fiscal Attaché, as mandated by the Code of Conduct Group (business taxation) prepared a report suggesting amendments to the Annexes to the Council conclusions of 18 February 2020. There were no objections raised on the substance of this update at the Fiscal Attachés meeting of 21 September 2020.

3. Since the Code of Conduct Group (business taxation) works with clear deadlines for jurisdictions that are to be listed or de-listed, it is highly advisable that the revised list is adopted as soon as possible so that the EU list of non-cooperative jurisdictions for tax purposes reflecting the current situation could be published in the Official Journal.

4. In view of the above, the Permanent Representatives Committee is invited:
   - to confirm its agreement on the report by the Code of Conduct Group (business taxation) suggesting amendments to the Annexes to the Council conclusions of 18 February 2020 as set out in the Annex to this note, and
Report by the Code of Conduct Group (business taxation) suggesting amendments to the Annexes to the Council conclusions of 18 February 2020

I. INTRODUCTION

5. On 18 February 2020, the ECOFIN Council adopted Council conclusions\(^1\) that revised the EU list of non-cooperative jurisdictions for tax purposes (Annex I) and the state of play with respect to commitments taken by cooperative jurisdictions to implement tax good governance principles (Annex II) initially endorsed by the ECOFIN Council on 5 December 2017\(^2\) and subsequently revised by the Council on 23 January 2018,\(^3\) 13 March 2018,\(^4\) 25 May 2018,\(^5\) 2 October 2018,\(^6\) 6 November 2018,\(^7\) 4 December 2018,\(^8\) 12 March 2019,\(^9\) 22 May 2019,\(^10\) 14 June 2019,\(^11\) 17 October 2019,\(^12\) 8 November 2019\(^13\) and 5 December 2019.\(^14\)

6. As agreed by the Council in its conclusions of 12 March 2019 as from 2020 onwards updates of the EU list should be done no more than twice a year. On the occasion of the 18 February 2020 update it was agreed that the next update would take place in October 2020.

7. The ongoing COVID-19 public health emergency situation has had an impact on the working methods and on the ability of many jurisdictions to take on new commitments or deliver on their past commitments.
8. In that context, the ECOFIN Council adopted on 17 June 2020 conclusions on the progress achieved on tax issues during the Croatian Presidency. It was agreed to postpone the requests for commitments on certain issues until such time that circumstances allow to ask third jurisdictions to take commitments to address the deficiencies concerned.

9. Furthermore, the Ministers decided that the October 2020 update of the EU list would serve to remove jurisdictions that completed their commitments from Annex I; to extend Annex II deadlines where needed; and to take into consideration the new Global Forum peer review assessments under criterion 1.2.

10. In that spirit, the Code of Conduct Group (Business Taxation) (further referred to as "Group") through its elected Chair (Ms Lyudmila Petkova) continued interactions and dialogues with the relevant jurisdictions, supported by the General Secretariat of the Council and with the technical assistance of the Commission services. The Group mandated Fiscal Attachés to discuss urgent issues at its meetings on 15 July, 7 September and 21 September 2020.

16 See paragraph 4 of the Council conclusions:
   - the screening of the jurisdictions that have foreign source income exemption regimes in place;
   - the monitoring of the implementation of the country by country reporting (CbCR) anti-BEPS minimum standard (criterion 3.2), and
   - the screening of the three jurisdictions added to the geographical scope of EU listing exercise in 2019.
II. UPDATES OF ANNEX I

a) Delisting

11. **The Cayman Islands** has enhanced its framework on Collective Investment Funds.\(^{17}\) The Group examined this issue at its meetings on 15 July and 7 September and concluded on 21 September 2020 that Cayman Islands has delivered on its commitment on criterion 2.2 and can be removed from Annex I.

12. On 26 November 2019 **Oman** signed the OECD Convention on Mutual Administrative Assistance in Tax Matters (MAC). The Convention was ratified and the instrument of ratification was deposited with the OECD on 7 July 2020. In addition Oman enacted on 14 September 2020 legislation to enable automatic exchange of information and submitted a notification to the OECD for the activation of the exchange relationship with all EU Member States.\(^{18}\)

The Group examined the progress of Oman at its meeting on 21 September 2020 and concluded that since Oman had fulfilled its commitments under criterion 1.3 and the benchmark of commitments required by the end of 2019 under criterion 1.1, it can be removed from Annex I.

b) Listing

13. On 15 July 2020, the Global Forum published the outcome of its peer review process to assess jurisdictions' compliance with international standards for the exchange of information on request. In that context **Seychelles** and **Barbados** were downgraded to "Partially Compliant" in the Round 2 review.\(^{19}\) The Group discussed this at its meeting on 15 July 2020 and agreed that Seychelles, already on Annex I for criterion 2.1, should be listed in Annex I also for criterion 1.2. whilst Barbados should be listed in Annex I for criterion 1.2.

14. Similarly on 21 September 2020 the Group took stock of the ratings published on 1 September 2020. Anguilla received a "Non-Compliant" rating\textsuperscript{20} and should therefore be listed in Annex I.

c) Other

15. The Group also examined the economic substance guidelines that Bahrain adopted on 1 January 2020\textsuperscript{21} that it was not informed of. Bahrain adopted revised guidelines\textsuperscript{22} on 17 September 2020 that the Group assessed on 21 September 2020 as compliant with the requirements of criterion 2.2.

16. Bermuda adopted on 7 July 2020 guidance notes on economic substance requirements which raised concerns for criterion 2.2.\textsuperscript{23} The guidance notes were amended on 18 September 2020 and the Group decided that Bermuda was compliant with the requirements of criterion 2.2.\textsuperscript{24}

III. UPDATES OF ANNEX II

17. Mongolia and Bosnia and Herzegovina having deposited the instruments of ratification of MAC as amended, respectively on 19 February 2020\textsuperscript{25} and 21 September 2020\textsuperscript{26}, the Group agreed at its meetings on 15 July and 21 September 2020 that they should be removed from section 1.3 of Annex II.
18. The Group on 21 September 2020 discussed the extension of deadlines of commitments due to the COVID-19 pandemic and agreed to extend the deadlines for the signature and ratification of MAC respectively to 31 December 2020 and 31 December 2021 as well as for Namibia and St Lucia as regards their commitments under criterion 2.1 to 31 December 2020. These changes are reflected in Annex II. Other deadlines remain unchanged.
