Subject:	OUTCOME OF PROCEEDINGS of the Working Party on Codification of Legislation with regard to the Proposal for a Regulation of the European Parliament and of the Council on exceptional trade measures for countries and territories participating in or linked to the Stabilisation and Association process (codification) COM(2022) 503 final of 4.10.2022 - 2022/0304 (COD

1. The Commission proposal for a Regulation of the European Parliament and of the Council on exceptional trade measures for countries and territories participating in or linked to the Stabilisation and Association process (codification) - COM(2022) 503 final of 4.10.2022 - 2022/0304 (COD) was circulated to delegations on 18 October 2022 by document ST 13714/22 + ADD1.

   Delegations were requested to submit their comments on the codification proposal within the established deadline (25 November 2022).

   The horizontal comments submitted on the proposal were addressed by the Commission legal service, which had prepared the codification proposal, and subsequently by the Council legal service.

2. The submitted language-related comments (CZ) will be dealt with by the lawyer-linguists at the stage of the legal-linguistic revision.

3. The opinion of the Consultative Working Party of Legal Services was circulated to delegations on 13 June 2023 (document ST 10564/23). The analysis of the three legal services confirms that the codification proposal is a straightforward codification of existing texts, without any change in their substance.
