Statements to the legislative "A" items set out in doc. 10940/26

Ad "A" item 1:

Regulation on the adjustment of customs duties and opening of tariff quotas related to the import of certain goods originating in the US
Adoption of the legislative act

JOINT STATEMENT BY THE EUROPEAN PARLIAMENT AND THE COMMISSION

on the safeguard mechanism under Regulation (EU) 2026/... on the adjustment of customs duties on imports of certain goods originating in the United States of America and opening of tariff quotas for imports of certain goods originating in the United States of America

“The Commission recognises the importance placed by the European Parliament on following closely the implementation of this Regulation as regards the safeguard mechanism allowing for the suspension of preferences granted to the United States. To that end, should the European Parliament recommend that the Commission initiates a safeguard investigation, the Commission will carefully assess whether the circumstances justify an *ex officio* initiation of an investigation and inform the European Parliament of the outcome of its assessment.”

STATEMENT BY THE COMMISSION

on implementing acts under Regulation (EU) 2026/... on the adjustment of customs duties on imports of certain goods originating in the United States of America and opening of tariff quotas for imports of certain goods originating in the United States of America

“The Commission will keep the European Parliament regularly informed and take utmost account of the European Parliament's views before proposing an implementing act under this Regulation.”
