'I/A' ITEM NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee (Part 2)/Council
Subject: Council Implementing Decision under the Recovery and Resilience Facility
- Finland
- Adoption

1. The Council Implementing Decision of 29 October 2021, as set out in documents 12524/21 + ADD 1 approved the positive assessment of the recovery and resilience plan ('RRP') of Finland accordance with Article 20(1) of Regulation (EU) 2021/241.
2. That Council Implementing Decision was later amended on 14 March 2023, pursuant to Article 18(2) of Regulation (EU) 2021/241, as set out in documents 6991/23 + ADD 1 COR 1, on 8 December 2023 pursuant to Article 21c of Regulation (EU) 2021/241, as set out in document 15836/23 + ADD 1, on 16 July 2024 pursuant to Article 21(1) of Regulation (EU) 2021/241, as set out in document 11535/24 + ADD 1.
3. On 30 April 2025, Finland made a reasoned request to the Commission to make a proposal to amend the Council Implementing Decision of 29 October 2021 in accordance with Article 21(1) of Regulation (EU) 2021/241 on the grounds that the RRP is partially no longer achievable because of objective circumstances. On that basis, Finland has submitted an amended RRP.
4. The Commission has assessed the amended RRP against the assessment criteria laid down in Article 19(3) of Regulation (EU) 2021/241. The Commission considers that the amendments put forward by Finland do not affect the positive assessment of the RRP set out in the Council

Implementing Decision of 29 October 2021 regarding the relevance, effectiveness, efficiency and coherence of the RRP against the assessment criteria laid down in Article 19(3) of Regulation (EU) 2021/241.

5. The Commission considered that the amended RRP satisfactorily complies with the criteria for assessment set out in Regulation (EU) 2021/241, in accordance with Article 20(2) of and Annex V to that Regulation, the reforms and investment projects necessary for the implementation of the amended RRP, the relevant milestones, targets and indicators, and that the financial contribution made available to Finland remains unchanged.
6. Against this background, acting on the basis of Article 20(1) of Regulation (EU) 2021/241, the Commission submitted to the Council on 26 June 2025, a proposal for a Council Implementing Decision amending the Implementing Decision (EU) of 29 October 2021 on the approval of the assessment of the recovery and resilience plan for Finland, set out in documents ST 10922/25 and ST 10922/25 ADD 1.
7. The Financial Counsellors Working Party examined the proposal on 15 July 2025 and reached an agreement on the text, subject to legal-linguistic revision.
8. The text of the Council Implementing Decision, as finalised by the lawyer-linguists, is set out in documents ST 11030/25 and ST 11030/25 ADD 1.
9. In view of the above, the Permanent Representatives Committee is invited to:
 - confirm its agreement on the texts, as finalized by the lawyer-linguists, of:
 - a) Council Implementing Decision amending Implementing Decision 29 October 2021 on the approval of the assessment of the recovery and resilience plan for Finland, as set out in document 11030/25, and
 - b) Annex to the Council Implementing Decision amending Implementing Decision of 29 October 2021 on the approval of the assessment of the recovery and resilience plan for Finland, as set out in document ST 11030/25 ADD 1, and
 - recommend to the Council to adopt the above-mentioned Decision together with its Annex as an "A-item" at one of its forthcoming meetings.
