NOTE

From:	General Secretariat of the Council
To:	The Council Security Committee
Subject:	Recommendation to the Secretary-General of the Council concerning the approval of a second-party evaluated cryptographic product

1. The GSC seeks a recommendation from the Committee on a decision of the Secretary-General of the Council by means of a **silence procedure terminating on Friday, 30 August 2019, C.O.B.**
2. As requested by Spain, the Swedish National Communications Security Authority (SNCSA), in its capacity as accredited AQUA, has carried out the second party evaluation of the Spanish cryptographic product

FÄRIST MOBILE SYSTEM V4.1

to assess its ability to protect EU classified information at the level
RESTREINT UE/EU RESTRICTED.

3. Sweden has informed the GSC in its letter dated 4 July 2019 that it concludes that the cryptographic product

FÄRIST MOBILE SYSTEM V4.1

can be used to protect information classified at the level RESTREINT UE/EU RESTRICTED.

4. The CSC(IA) has endorsed the draft recommendation by silence procedure on 9 August 2019 (see doc. 11475/19).
5. In the light of the above the Council Security Committee is invited to recommend that the Secretary-General of the Council approve the use of

FÄRIST MOBILE SYSTEM V4.1

for the protection of EUCI at the level RESTREINT UE/EU RESTRICTED on the understanding that the recommendations of the evaluator for the use of the product will be taken into account.
