Subject:	Amended proposal for a Council Decision amending Decision (EU, Euratom) 2020/2053 on the system on own resources of the European Union – *Optional consultation of the European Economic and Social Committee and the Committee of the Regions*

1. On 21 June 2023, the Commission submitted to the Council an amended proposal for a Council Decision amending Decision (EU, Euratom) 2020/2053 on the system of own resources of the European Union.[1]

2. The amended proposal, which is based on Article 311, third paragraph of the Treaty on the Functioning of the European Union, does not require the opinion of the European Economic and Social Committee and the Committee of the Regions.[2]

3. It is to be noted that the European Economic and Social Committee already submitted an opinion[3] on the original proposal from 22 December 2021[4]; however, the amended proposal introduces substantial changes that warrant a new consultation.
