This Staff Working Document accompanies the Annual Report on the implementation of the Dual-Use Regulation (EU) No 2021/821 setting up a Union regime for the control of exports, brokering, technical assistance, transit and transfer of dual-use items. The Staff Working Document contains 19 data reports which cover the year 2024.

The data in the report has been compiled thanks to a data collection exercise carried out recently with the Member States based on the Commission Recommendation (EU) 2024/214 ⁽¹⁾, which provides guidelines and methodology on data gathering and processing. The data contained in these reports is summarised in the said accompanying Annual Report.

⁽¹⁾ Commission Recommendation (EU) 2024/214 of 10 January 2024 on guidelines setting out the methodology for data gathering and processing for the preparation of the annual report on the control of exports, brokering, technical assistance, transit and transfer of dual-use items pursuant to Regulation (EU) 2021/821 of the European Parliament and of the Council; ELI: <http://data.europa.eu/eli/reco/2024/214/oj>
