Subject: Agreement between the European Union and Iceland on supplementary rules in relation to the Instrument for Financial Support for Border Management and Visa Policy, as part of the Integrated Border Management Fund, for the period 2021 to 2027

AGREEMENT
BETWEEN THE EUROPEAN UNION
AND ICELAND
ON SUPPLEMENTARY RULES IN RELATION TO THE INSTRUMENT
FOR FINANCIAL SUPPORT FOR BORDER MANAGEMENT AND VISA POLICY,
AS PART OF THE INTEGRATED BORDER MANAGEMENT FUND,
FOR THE PERIOD 2021 TO 2027

THE EUROPEAN UNION, hereinafter referred to as "the Union",

and

ICELAND,

hereinafter jointly referred to as "the Parties",

HAVING REGARD to the Agreement concluded by the Council of the European Union and the Republic of Iceland and the Kingdom of Norway concerning the latter's association with the implementation, application and development of the Schengen *acquis*¹ (the "Association Agreement with Iceland and Norway"),

WHEREAS:

- (1) The Union established the Instrument for Financial Support for Border Management and Visa Policy (the "BMVI") by means of Regulation (EU) 2021/1148 of the European Parliament and of the Council² (the "BMVI Regulation"), as part of the Integrated Border Management Fund.
- (2) The BMVI Regulation constitutes a development of the Schengen *acquis* within the meaning of the Association Agreement with Iceland and Norway.

¹ OJ EC L 176, 10.7.1999, p. 36.

² Regulation (EU) 2021/1148 of the European Parliament and of the Council of 7 July 2021 establishing, as part of the Integrated Border Management Fund, the Instrument for Financial Support for Border Management and Visa Policy (OJ EU L 251, 15.7.2021, p. 48).

- (3) The Instrument for Financial Support for Border Management and Visa Policy, as part of the Integrated Border Management Fund, constitutes a specific instrument in the context of the Schengen *acquis* designed to ensure strong and effective European integrated border management at external borders, while safeguarding the free movement of persons, in full compliance with the Member States' and associated countries' commitments on fundamental rights, and to support a uniform implementation and modernisation of the common visa policy, thereby contributing to guaranteeing a high level of security in Member States and associated countries.
- (4) Article 9(2) of the BMVI Regulation provides that the amount referred to in point (a) of Article 7(3) and the additional resources provided under that Regulation shall be implemented under shared management in accordance with Article 63 of Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council¹ (the "Financial Regulation") and Regulation (EU) 2021/1060 of the European Parliament and of the Council² (the "CPR").

¹ Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012 (OJ EU L 193, 30.7.2018, p. 1).

² Regulation (EU) 2021/1060 of the European Parliament and of the Council of 24 June 2021 laying down common provisions on the European Regional Development Fund, the European Social Fund Plus, the Cohesion Fund, the Just Transition Fund and the European Maritime, Fisheries and Aquaculture Fund and financial rules for those and for the Asylum, Migration and Integration Fund, the Internal Security Fund and the Instrument for Financial Support for Border Management and Visa Policy (OJ EU L 231, 30.6.2021, p. 159).

- (5) Article 7(6) of the BMVI Regulation provides that arrangements shall be made to specify the nature and modes of participation in the BMVI of countries associated with the implementation, application and development of the Schengen *acquis*.
- (6) The BMVI offers the opportunity to implement actions in shared management, direct and indirect management modes, and this Agreement should make it possible that the implementation in any of these methods can be realised in Iceland in accordance with the principles and rules of the Union on financial management and control.
- (7) In light of the *sui generis* nature of the Schengen *acquis* and the importance of its uniform application for the integrity of the Schengen area, all rules applicable for the management of the programmes should apply for Iceland in the same way as for Member States.
- (8) To facilitate the calculation and use of the annual contributions due by Iceland to the BMVI, its contributions for the period 2021 to 2027 should be paid in five annual instalments from 2023 to 2027. From 2023 to 2025, the annual contributions are set in fixed amounts while the contributions due for the years 2026 and 2027 should be determined in 2026 on the basis of the nominal gross domestic product of all States participating in the BMVI taking into account the payments effectively made.

- (9) In line with the principle of equal treatment, Iceland should benefit from any surplus revenue as defined in Article 86 of Regulation (EU) 2018/1240 of the European Parliament and of the Council¹ (the "ETIAS Regulation"). Within the framework of the BMVI, the financial contributions due by Iceland to the BMVI are proportionally reduced.
- (10) The Union data protection legislation, including Regulation (EU) 2016/679 of the European Parliament and of the Council², is covered by the EEA Agreement and has been incorporated into Annex XI thereto. Iceland therefore applies that Regulation.
- (11) Iceland is not bound by the Charter of Fundamental Rights of the European Union, although it is a party to and thus observes the rights and principles recognised by the Convention for the Protection of Human Rights and Fundamental Freedoms and its Protocols and in the Universal Declaration of Human Rights. References contained in the BMVI Regulation, CPR and this Agreement to the Charter on Fundamental Rights of the European Union should accordingly be understood as references to that Convention and to the Protocols ratified by Iceland and to Article 14 of that Declaration.
- (12) Iceland, not being bound by the references to the Union environmental acquis, should implement the BMVI and this Agreement in line with the Paris Agreement and the Sustainable Development Goals of the 2030 Agenda of the United Nations,

HAVE AGREED AS FOLLOWS:

¹ Regulation (EU) 2018/1240 of the European Parliament and of the Council of 12 September 2018 establishing a European Travel Information and Authorisation System (ETIAS) and amending Regulations (EU) No 1077/2011, (EU) No 515/2014, (EU) 2016/399, (EU) 2016/1624 and (EU) 2017/2226 (OJ EU L 236, 19.9.2018, p. 1).

1. The rights of legal entities established in Iceland derived from the application of this Agreement may be suspended in line with paragraphs 5 to 7 of this Article by the Union, in case of full or partial non-payment of the financial contribution due by Iceland, in case of non-compliance with Article 2(3), including a decision not to accept an act notified under that provision or in circumstances in which the Financial Regulation is subject to an amendment, a repeal, a replacement or a recast relevant to the BMVI and no agreement has been reached pursuant to Article 2(2) within 30 days of the entry into force of such amendment, repeal, replacement or recast of the Financial Regulation.
2. 3. The Mixed Committee shall be convened and the meeting shall take place within 30 days of the notification referred to in paragraph 2. The Mixed Committee shall have 90 days to settle the matter, counting from the date of adoption of the agenda on which the matter has been placed according to paragraph 2. Where the matter cannot be settled by the Mixed Committee within the 90-day deadline, this deadline shall be extended by 30 days with a view to reaching a final settlement.

5. In case of suspension, legal entities established in Iceland shall not be eligible to participate in award procedures not yet completed when the suspension takes effect. An award procedure shall be considered completed when legal commitments have been entered into as a result of that procedure.
6. The suspension does not affect the legal commitments entered into with the legal entities established in Iceland before the suspension took effect. This Agreement shall continue to apply to such legal commitments.
7. Any operation necessary to protect the financial interest of the Union and to ensure the fulfilment of financial obligations stemming from commitments entered into under this Agreement prior to the suspension, may be carried out also after the suspension.
8. The Union shall immediately notify Iceland once the amount of the financial or operational contribution due has been received by it, when the non-compliance with Article 2(3) has ended or when the matter related to the Financial Regulation is settled. The suspension shall be lifted with an immediate effect upon this notification.
9. As of the date when the suspension is lifted, legal entities of Iceland shall be again eligible in award procedures launched after this date and in award procedures launched before this date, for which the deadlines for submission of applications has not expired.

ARTICLE 16

Termination

1. Either the Union or Iceland may terminate this Agreement by notifying the other Party of its decision. The Agreement shall cease to apply 3 months after the date of such notification. In the case of the Union, the written notification shall be sent to the Secretary-General of the Council of the European Union.

3. Where this Agreement is terminated in accordance with paragraph 1 or paragraph 2, the Parties agree that operations where the legal commitments were entered into after the entry into force of this Agreement, and before this Agreement is terminated shall continue until their completion under the conditions laid down in this Agreement.
4. Any operation necessary to protect the financial interest of the Union and to ensure the fulfilment of financial obligations stemming from commitments entered into under this Agreement prior to its termination, may be carried out also after the termination of this Agreement.

FORMULA TO CALCULATE
THE ANNUAL FINANCIAL CONTRIBUTIONS FOR THE YEARS 2021 TO 2027
AND PAYMENT DETAILS

1. The calculation of the financial contribution takes into account the amount referred to in Article 7(2) of the BMVI Regulation.
2. For the years 2023 to 2025 Iceland shall make annual payments to the budget of the BMVI in accordance with the following table:

(All amounts in EUR)

	2023	2024	2025
Iceland	1 820 230	1 820 230	1 820 230

The financial contributions referred to in this Article shall be due by Iceland irrespective of the date of approval of its programme referred to Article 23 of the CPR.

3. The financial contribution of Iceland to the BMVI is calculated as follows for the years 2026 and 2027:

For each single year from 2020 to 2024, the figures of the nominal Gross Domestic Product (GDP) of Iceland available as of 31 March 2026 on Eurostat (GDP at current prices) shall be divided by the sum of the nominal GDP figures of all the States participating in the BMVI for each respective year. The average of the obtained five percentages for the years 2020 to 2024 shall be applied to

- the sum of the commitment appropriations from adopted budget and subsequent amendments or transfers as committed at the end of each year for the BMVI for the years 2021 to 2025,
- the annual commitment appropriations from adopted budget for the BMVI for the year 2026 made at the beginning of the year 2026, and
- the annual commitment appropriation according to the budget for the BMVI for the year 2027 as included in the draft General budget of the Union for the 2027 financial year adopted by the Commission,

to obtain the total amount to be paid by Iceland over the whole period of implementation of the BMVI.

From this amount, the annual payments effectively made by Iceland in accordance with paragraph 2 of this Annex shall be subtracted to obtain the total amount of its contributions for the years 2026 and 2027. Half of this amount shall be paid in 2026 and the other half in 2027.

4. The financial contribution shall be paid in euro, and the calculation of amounts due or to be received shall be expressed in euro.
5. Iceland shall pay its respective financial contribution no later than 45 days after receiving the debit note. Any delay in payment of the contribution shall give rise to the payment of default interest on the outstanding amount from the due date. The interest rate shall be the rate applied by the European Central Bank to its main refinancing operations, as published in the C series of the *Official Journal of the European Union*, in force on the first calendar day of the months in which the deadline falls, increased by 3,5 percentage points.

FORMULA TO CALCULATE
THE ICELANDIC SHARE OF THE REVENUES POTENTIALLY REMAINING
AS DEFINED IN ARTICLE 86 OF THE ETIAS REGULATION

For each financial year that there is a surplus generated as defined in Article 86 of the ETIAS Regulation and ending with the 2026 financial year, the figures of the nominal Gross Domestic Product (GDP) of Iceland available as of 31 March on Eurostat (GDP at current prices) shall be divided by the sum of the nominal GDP figures of all the States participating in ETIAS for the respective year.

The average of the obtained percentages shall be applied to total surpluses generated. The 2027 Icelandic financial contribution earmarked for the Thematic facility shall be reduced by the resulting amount.
