Subject: Climate finance

– Council conclusions on climate finance (5 October 2021)

Paragraph 10 of Council conclusions on climate finance, approved by the Council (ECOFIN) at its 3814th meeting on 5 October 2021, should be replaced with a new paragraph 10, set out in the annex to the present addendum.

"10. HIGHLIGHTS the contribution of EUR 23.39 billion¹ in international public climate finance committed by the EU and its Member States in the year 2020."

¹ This figure includes climate finance sources from public budgets and other development financial institutions, and is calculated based on commitments for bilateral and multilateral contributions, as reported by Member States on the basis of Article 19.3 of Regulation (EU) 2018/1999 of the European Parliament and of the Council of 11 December 2018. It also includes EUR 2.5 billion climate finance from the EU Budget and the European Development Fund, and EUR 2.7 billion from the EIB.
