Subject: MONTHLY SUMMARY OF COUNCIL ACTS - MARCH 2024

This document lists the acts¹ adopted by the Council in March 2024.²³

It provides information on the adoption of legislative and non-legislative acts, including:

- the date of adoption,
- the relevant Council session,
- the number of the document adopted,
- the Official Journal reference,
- reference to the minutes of the Council session when the act was adopted.

¹ For easy reference, the "short titles" as mentioned in the Council's agendas are also indicated (see in italics).

² With the exception of certain acts of limited scope such as procedural decisions, appointments, specific budgetary decisions, etc. unless adopted by written procedure.

³ In the case of legislative acts adopted in the ordinary legislative procedure, there may be a difference between the date of the Council's meeting where the legislative act is adopted and the actual date of the act in question, since legislative acts adopted in the ordinary legislative procedure are only considered to have been adopted after signature by both the President of the Council and the President of the European Parliament and the Secretaries-General of the two institutions.
