congering the request of Ireland
to take part in some of the provisions of the Schengen acquis
relating to the European Union Agency
for the operational management of large-scale IT systems
in the area of freedom, security and justice (eu-LISA)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to Article 4 of Protocol No 19 on the Schengen acquis integrated into the framework of the European Union, annexed to the Treaty on European Union and to the Treaty on the Functioning of the European Union,

Having regard to the request by the Government of Ireland, by its letter to the President of the Council of the European Union of 12 April 2019, to take part in certain provisions of the Schengen acquis, as specified in that letter,
Whereas:

(1) By Decision 2002/192/EC\(^1\) the Council authorised Ireland to take part in some of the provisions of the Schengen *acquis*, in accordance with the conditions set out in that Decision.

(2) Regulation (EU) No 1077/2011 of the European Parliament and of the Council\(^2\) established the European Agency for the operational management of large-scale IT systems in the area of freedom, security and justice, commonly referred to as eu-LISA, in order to ensure the operational management of the second generation Schengen Information System (SIS II), the Visa Information System (VIS) and Eurodac and of certain aspects of their communication infrastructures and potentially that of other large-scale IT systems in the area of freedom, security and justice, on the basis of separate Union legal acts, based on Articles 67 to 89 of the Treaty on the Functioning of the European Union (TFEU).

---

(3) By Decision 2012/764/EU\(^1\) the Council authorised Ireland to take part in Regulation (EU) No 1077/2011 to the extent that it relates to the operational management of the VIS and the parts of SIS II, in which Ireland does not take part.

---

\(^1\) Council Decision 2012/764/EU of 6 December 2012 concerning the request of Ireland to take part in some of the provisions of the Schengen acquis relating to the establishment of a European Agency for the operational management of large-scale IT systems in the area of freedom, security and justice (OJ L 337, 11.12.2012, p. 48).

In accordance with Regulation (EU) 2018/1726 the Agency is responsible for the operational management of Schengen Information System (SIS), the VIS and Eurodac. The Agency is also responsible for the preparation, development or operational management of the Entry/Exit System (EES), DubliNet and the European Travel Authorisation and Information System (ETIAS). The Agency might also be made responsible for the preparation, development and operational management of other large-scale IT systems in the area of freedom, security and justice if so provided by relevant Union legal acts based on Articles 67 to 89 of the TFEU.

---

(7) The VIS is also part of the Schengen *acquis*. Ireland did not take part in the adoption of, and is not bound by Council Decision 2004/512/EC\(^1\), Regulation (EC) No 767/2008 of the European Parliament and of the Council\(^2\) and Council Decision 2008/633/JHA\(^3\) which govern the establishment, operation or use of the VIS.

(8) Eurodac is not part of the Schengen *acquis*. Ireland has taken part in the adoption of, and is bound by Regulation (EU) No 603/2013 of the European Parliament and of the Council\(^4\) which governs the establishment, operation and use of Eurodac.

---

4 Regulation (EU) No 603/2013 of the European Parliament and of the Council of 26 June 2013 on the establishment of 'Eurodac' for the comparison of fingerprints for the effective application of Regulation (EU) No 604/2013 establishing the criteria and mechanisms for determining the Member State responsible for examining an application for international protection lodged in one of the Member States by a third-country national or a stateless person and on requests for the comparison with Eurodac data by Member States' law enforcement authorities and Europol for law enforcement purposes, and amending Regulation (EU) No 1077/2011 establishing a European Agency for the operational management of large-scale IT systems in the area of freedom, security and justice (OJ L 180, 29.6.2013, p. 1).
(9) The EES is part of the Schengen acquis. Ireland did not take part in the adoption of, and is not bound by Regulation (EU) 2017/2226 of the European Parliament and of the Council\(^1\) which govern the establishment, operation and use of the EES.

(10) ETIAS is also part of the Schengen acquis. Ireland did not take part in the adoption of, and is not bound by Regulation (EU) 2018/1240 of the European Parliament and of the Council\(^2\) which govern the establishment, operation and use of ETIAS.

(11) DubliNet is not part of the Schengen acquis. Ireland is bound by Commission Regulation (EC) No 1560/2003\(^3\) which sets up DubliNet, a separate secure electronic transmission channel.

---

(12) Given its participation in Eurodac, DubliNet and its partial participation in SIS, Ireland has the right to participate in the activities of the Agency, to the extent that the Agency is responsible for the operational management of SIS as governed by Regulation (EU) 2018/1862, of Eurodac and of DubliNet.

(13) The Agency has a single legal personality and is characterised by the unity of its organisational and financial structure. Accordingly, and in accordance with Article 288 of the TFEU, the Agency was established by means of a single legislative instrument which is applicable in its entirety in the Member States bound by it. This excludes the possibility of partial applicability for Ireland. Consequently, necessary steps should be taken to ensure that Regulation (EU) 2018/1726 in its entirety is applicable to Ireland.

(14) In accordance with Article 4 of Protocol No 21 on the position of the United Kingdom and Ireland in respect of the area of freedom, security and justice, Ireland notified the Commission and the Council by letters of 12 April 2019, of its intention to accept the provisions of Regulation (EU) 2018/1726 relating to Eurodac and DubliNet.
(15) In accordance with the procedure provided for in Article 331(1) of the TFEU, the Commission confirmed, by Decision of 23 July 2019, the application to Ireland of Regulation (EU) 2018/1726 in so far as its provisions relate to Eurodac and DubliNet. That Decision provides that Regulation (EU) 2018/1726 comes into force for Ireland on the date of entry into force of the Council Decision concerning the request of Ireland to take part in the provisions of Regulation (EU) 2018/1726 relating to SIS, as governed by Regulation (EU) 2018/1861 which will replace Regulation (EC) No 1987/2006, and by Regulation (EU) 2018/1860, and relating to the VIS, the EES and ETIAS.

(16) Following the adoption of Commission Decision of 23 July 2019 the first precondition for Ireland to take part in the provisions of Regulation (EU) 2018/1726 is fulfilled.

(17) In order to ensure compliance with the Treaties and the applicable Protocols, and at the same time to safeguard the unity and consistency of Regulation (EU) 2018/1726, Ireland has requested, by letter of 12 April 2019 to the Council, to take part in Regulation (EU) 2018/1726 under Article 4 of Protocol No 19 on the Schengen acquis integrated into the framework of the European Union, annexed to the Treaty on European Union and to the Treaty on the Functioning of the European Union (‘the Schengen Protocol’) to the extent that the provisions of Regulation (EU) 2018/1726 refer to the responsibility of the Agency for the operational management of SIS as governed by Regulation (EU) 2018/1861 which will replace Regulation (EC) No 1987/2006 and by Regulation (EU) 2018/1860, and of the VIS, the EES and ETIAS.
(18) The Council recognises the right of Ireland to make, in accordance with Article 4 of the Schengen Protocol, a request to take part in the provisions of Regulation (EU) 2018/1726, to the extent that Ireland will not take part in that Regulation on other grounds.

(19) The participation of Ireland in Regulation (EU) 2018/1726 is without prejudice to the fact that at present Ireland does not and cannot take part in the provisions of the Schengen acquis relating to the free movement of third country nationals, visa policy and the crossing by persons of the external borders of the Member States. Regulation (EU) 2018/1726 therefore contains specific provisions reflecting this special position of Ireland, in particular as regards limited voting rights in the Management Board of the Agency.

(20) The Mixed Committee, established pursuant to Article 3 of the Agreement concluded by the Council of the European Union and the Republic of Iceland and the Kingdom of Norway concerning the latters' association with the implementation, application, and development of the Schengen acquis, has been informed about the preparation of this Decision in accordance with Article 5 of that Agreement.

1 OJ L 176, 10.7.1999, p. 36.
The Mixed Committee, established pursuant to Article 3 of the Agreement between the European Union, the European Community and the Swiss Confederation on the Swiss Confederation's association with the implementation, application and development of the Schengen acquis\(^1\), has been informed about the preparation of this Decision in accordance with Article 5 of that Agreement,

HAS ADOPTED THIS DECISION:
