No. Cion doc.:	13643/19 + ADD1
Subject:	Proposal for a REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL laying down certain transitional provisions for the support by the European Agricultural Fund for Rural Development (EAFRD) and by the European Agricultural Guarantee Fund (EAGF) in the year 2021 and amending Regulations (EU) No 228/2013, (EU) No 229/2013 and (EU) No 1308/2013 as regards resources and their distribution in respect of the year 2021 and amending Regulations (EU) No 1305/2013, (EU) No 1306/2013 and (EU) No 1307/2013 as regards their resources and application in the year 2021 <i>- Revised mandate for negotiations with the European Parliament</i>

---

Delegations will find attached a four-column table reflecting the state of play of the negotiations concerning the addition to the above-mentioned proposal of a provision on the European Recovery Fund (ERI). The Presidency will invite the Special Committee on Agriculture at its meeting on 9 November 2020 to give it a revised mandate, on the basis of the fourth column of the table, for the trilogue on 10 November 2020.

The key elements of the overall compromise package are the following:

- rows 29 to 44 - the addition of clarification on the **thresholds and the "no backsliding" clause** and the relationship between them;
- row 28 - the EP could accept the Council position on **technical assistance** as part of an overall compromise package;
- row 47 - a compromise on **co-financing** could consist of a maximum 100% rate as in the Council text and the option for Member States to have a single, specific EAFRD contribution rate as in the EP text;
- rows 49 to 100 - as part of an overall compromise package the EP could accept to replace these amendments concerning **maximum amounts and support rates** with a provision giving Member States the option of providing additional funds for investments and young farmers.
