Subject: Simplification: Annual Progress Report on Implementation and  
Enforcement – progress towards the 25% reduction of burdens for  
businesses  
- Presidency discussion paper

---

In document ST 12704/25, on page 3, in the second sentence of the first paragraph:

*For:*

“It is important to emphasize that these estimates have limitations, as individual impact assessments may rely on different assumptions, including baseline scenarios, methods (including models), data, measures of welfare changes and there are still a number of proposals without impact assessments.”

*Read:*

“It is important to emphasize that these estimates have limitations, as individual impact assessments may rely on different assumptions, including baseline scenarios, methods (**including** models), data, measures of welfare changes and there are still a number of proposals without impact assessments.”
