---

16. HIGHLIGHTS the contribution of EUR 23.04 billion<sup>1</sup> in international public climate finance committed by the EU and its Member States in the year 2021.

---

<sup>1</sup> This figure includes climate finance sources from public budgets and other development financial institutions, and is calculated based on commitments for bilateral and multilateral contributions, as reported by Member States on the basis of Article 19.3 of Regulation (EU) 2018/1999 of the European Parliament and of the Council of 11 December 2018. It also includes EUR 2.50 billion climate finance from the EU Budget and the European Development Fund, and EUR 2.56 billion from the European Investment Bank.
