Copenhagen, 29 AUG. 2024

Dear President von der Leyen,

First of all, please allow me to formally congratulate you on your re-election as Commission President. Please rest assured of my continued and full support also during your next term at the helm of the Commission.

In response to your letter of 24 July, and as discussed with you on several occasions, I hereby put forward Mr. Dan Jørgensen – current Minister for Development Cooperation and Global Climate Policy– as Denmark’s candidate for commissioner, in accordance with Article 17 of the Treaty of the European Union. I greatly appreciate the conversations we have had about the nomination and portfolio.

As you know, Mr. Jørgensen has an impressive political career and has, in addition to his various ministerial portfolios, been a long-standing Member of the European Parliament. He has consistently demonstrated strong international competences and a commitment to the European project. I have no doubt that he will fulfil his duties as commissioner in an independent and successful manner.

I look forward to continuing our close cooperation and wish you and your forthcoming Commission every success in the tasks which lie ahead.

Yours sincerely,

Mette Frederiksen

Her Excellency, Ursula von der Leyen,
