Recommendation for a

COUNCIL DECISION

amending Decision (EU) 2021/1345 as regards the opening of negotiations with Colombia and Mexico with a view to concluding agreements on trade in organic products

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular **Article 207(4), first subparagraph, in conjunction with** Article 218(3) and (4) thereof,

Having regard to the recommendation from the European Commission,

Whereas:

- (1) Regulation (EU) 2018/848 of the European Parliament and of the Council¹ establishes the possibility to grant access to the Union market for organic products coming from third countries that have been recognised under a trade agreement as having a system of production meeting the same objectives and principles by applying rules which ensure the same level of assurance of conformity as those of the Union.

¹ Regulation (EU) 2018/848 of the European Parliament and the Council of 30 May 2018 on organic production and labelling of organic products and repealing Council Regulation (EC) No 834/2007 (OJ L 150, 14.6.2018, p. 1).

- (2) Council Decision (EU) 2021/1345² authorised the opening of negotiations on agreements on trade in organic products between the European Union and Argentina, Australia, Canada, Costa Rica, India, Israel, Japan, New Zealand, South Korea, Tunisia and the United States.
- (3) The Commission initiated negotiations with Colombia and Mexico under a previous authorisation to negotiate. That authorisation contained a limitation of the duration of negotiations, which could not be concluded before the time limit was reached. It is therefore appropriate to amend Decision (EU) 2021/1345 in order to include Colombia and Mexico within its scope.
- (4) The negotiating directives included in the addendum to Decision (EU) 2021/1345 should be amended in order to include references to Colombia and Mexico.
- (5) Decision (EU) 2021/1345 should therefore be amended accordingly,

HAS ADOPTED THIS DECISION:
