Proposal for a COUNCIL DECISION

to the

Proposal for a COUNCIL DECISION

on the signing, on behalf of the European Union, of the Amending Protocol to the Agreement between the European Community and the Republic of San Marino providing for measures equivalent to those laid down in Council Directive 2003/48/EC on taxation of savings income in the form of interest payments

Amending Protocol to the

“Agreement between the European Community and the Republic of San Marino providing for measures equivalent to those laid down in Council Directive 2003/48/EC on taxation of savings income in the form of interest payments”

THE EUROPEAN UNION, hereinafter referred to as ‘the Union’,

and

THE REPUBLIC OF SAN MARINO, hereinafter referred to as ‘San Marino’,

both hereinafter referred to as ‘Contracting Party’ or, jointly, as ‘Contracting Parties’,

With a view to implementing the OECD Standard for Automatic Exchange of Financial Account Information, hereinafter referred to as ‘Global Standard’, within a framework of cooperation which takes account of the legitimate interests of both Contracting Parties,

Whereas, the Contracting Parties share a common interest in improving their relationship and enhancing cooperation between them, as shown by the recent opening of negotiations on an Association Agreement providing for the possibility of San Marino joining the European Union internal market and its four fundamental freedoms, and cooperation in other areas,

Whereas, the Contracting Parties have a longstanding and close relationship with respect to mutual assistance in tax matters, in particular on the application of measures equivalent to those laid down in Council Directive 2003/48/EC on taxation of savings income in the form of interest payments¹, and desire to improve international tax compliance by further building on that relationship,

Whereas, the Contracting Parties desire to come to an agreement to improve international tax compliance based on reciprocal automatic exchange of information subject to certain confidentiality and other protections, including provisions limiting the use of the information exchanged,

¹ OJ EU L157, 26.6.2003, p.38.

Whereas Article 13 of the Agreement between the European Community and the Republic of San Marino providing for measures equivalent to those laid down in Council Directive 2003/48/EC on taxation of savings income in the form of interest payments² in the form prior to its amendment by this Amending Protocol, which currently provides for exchange of information upon request limited to conduct constituting tax fraud and the like should be aligned to the OECD standard on transparency and exchange of information in tax matters,

Whereas Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data³ lays down specific data protection rules in the European Union which also apply to the exchanges of information covered by the Agreement as amended by this Amending Protocol,

Whereas Law no. 70 of 23 May 1995⁴, devoted to the "Reform of Law no. 27 of 1 March 1983" on Collection, Elaboration and Use of Computerized Personal Data, regulates the protection of personal data in San Marino,

Whereas, the European Commission has, so far, not adopted a decision pursuant to Article 25(6) of Directive 95/46/EC finding that San Marino is a country that ensures an adequate level of protection of personal data,

Whereas both parties commit to implementing and observing specific data protection safeguards as included in the Agreement as amended by this Protocol, including Annex III,

Whereas Reporting Financial Institutions, sending Competent Authorities and receiving Competent Authorities, as data controllers, should retain information processed in accordance with the Agreement as amended by this Amending Protocol for no longer than necessary to achieve the purposes thereof. Given the differences in Member States' and San Marino's legislation, the maximum retention period should be set by reference to the statute of limitations provided by each data controller's domestic tax legislation,

Whereas the categories of Reporting Financial Institutions and Reportable Accounts covered by the Agreement as amended by this Amending Protocol are designed to limit the opportunities for taxpayers to avoid being reported by shifting assets to Financial Institutions or investing in financial products that are outside the scope of the Agreement as amended by this Amending Protocol. However, certain Financial Institutions and accounts that present a low risk of being used to evade tax should be excluded from the scope. Thresholds should not be generally included as they could easily be circumvented by splitting accounts into different Financial Institutions. The financial information which is required to be reported and exchanged should concern not only all relevant income (interests, dividends and similar types of income) but also account balances and sale proceeds from Financial Assets, in order to address situations where a taxpayer seeks to hide capital that in itself represents income or assets with regard to which tax has been evaded. Therefore, the processing of information under the Agreement as amended by this Amending Protocol is necessary for and proportionate to the purpose of enabling Member States' and San Marino's tax administrations to correctly and unequivocally identify the taxpayers concerned, to administer and enforce their tax laws in cross-border situations, to assess the likelihood of tax evasion being perpetrated and to avoid unnecessary further investigations,

Article 3

Time and Manner of Automatic Exchange of Information

1. For the purposes of the exchange of information in Article 2, the amount and characterisation of payments made with respect to a Reportable Account may be determined in accordance with the principles of the tax laws of the jurisdiction (being a Member State or San Marino) exchanging the information.
2. For the purposes of the exchange of information in Article 2, the information exchanged shall identify the currency in which each relevant amount is denominated.
3. With respect to paragraph 2 of Article 2, information is to be exchanged between San Marino on the one hand and all Member States, except Austria, on the other, with respect to 2016 and all subsequent years and will be exchanged within nine months of the end of the calendar year to which the information relates. Information is to be exchanged between San Marino on the one hand and Austria, on the other, with respect to 2017 and all subsequent years and will be exchanged within nine months of the end of the calendar year to which the information relates.

Notwithstanding the first sub-paragraph, San Marino Financial Institutions shall apply the reporting and due diligence rules consistent with Annexes I and II with regard to Reportable Persons from all Member States, including Austria, in accordance with the timelines provided for therein.

4. The Competent Authorities will automatically exchange the information described in Article 2 in a common reporting standard schema in Extensible Markup Language.
5. The Competent Authorities will agree on one or more methods for data transmission including encryption standards.

Article 4

Cooperation on Compliance and Enforcement

The Competent Authority of a Member State will notify the Competent Authority of San Marino and the Competent Authority of San Marino will notify the Competent Authority of a Member State when the first-mentioned (notifying) Competent Authority has reason to believe that an error may have led to incorrect or incomplete information reporting under Article 2 or there is non-compliance by a Reporting Financial Institution with the applicable reporting requirements and due diligence procedures consistent with Annexes I and II. The notified Competent Authority will take all appropriate measures available under its domestic law to address the errors or non-compliance described in the notice.

Article 5

Exchange of Information upon Request

1. Notwithstanding the provisions of Article 2 and of any other agreement providing for information exchange upon request between San Marino and any Member State, the

Competent Authority of San Marino and the Competent Authority of any Member State shall exchange upon request such information as is foreseeably relevant for carrying out this Agreement or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of San Marino and the Member States, or of their political subdivisions or local authorities, in so far as the taxation under such domestic laws is not contrary to an applicable double taxation agreement between San Marino and the Member State concerned.

2. In no case shall the provisions of paragraph 1 of this Article and of Article 6 be construed so as to impose on San Marino or on a Member State the obligation:

- a) to carry out administrative measures at variance with the laws and administrative practice of San Marino or that Member State, respectively;
- b) to supply information which is not obtainable under the laws or in the normal course of the administration of San Marino or that Member State, respectively;
- c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (ordre public).

3. If information is requested by a Member State or by San Marino acting as the requesting jurisdiction in accordance with this Article, San Marino or the Member State acting as the requested jurisdiction shall use its information gathering measures to obtain the requested information, even though that requested jurisdiction may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 2 but in no case shall such limitations be construed to permit the requested jurisdiction to decline to supply information solely because it has no domestic interest in such information.

4. In no case shall the provisions of paragraph 2 be construed to permit San Marino or a Member State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

5. The Competent Authorities will agree on the standard forms to be used as well as on one or more methods for data transmission including encryption standards.

Article 6

Confidentiality and Personal Data Protection Safeguards

1. In addition to the confidentiality rules and other safeguards outlined in this Agreement, including those outlined in Annex III, the collection and exchange of information pursuant to this Agreement shall be subject, (i) for Member States, to the laws and regulations of Member States implementing Directive 95/46/EC on the protection of individuals with regard to the processing of personal data and on the free movement of such data and, (ii) for San Marino, to

the provisions of Law no. 70 of 23 May 1995⁶, devoted to the "Reform of Law no. 27 of 1 March 1983" on Collection, Elaboration and Use of Computerized Personal Data.

Member States shall, for the purpose of the correct application of Article 5, restrict the scope of the obligations and rights provided for in Article 10, Article 11(1), Articles 12 and 21 of Directive 95/46/EC to the extent required in order to safeguard the interests referred to in Article 13(1)(e) of that Directive. San Marino shall take equivalent measures under its law.

Each Member State and San Marino shall ensure that each Reporting Financial Institution under their jurisdiction informs each individual Reportable Person concerned that the information relating to him referred to in Article 2 will be collected and transferred in accordance with this Agreement and shall ensure that the Reporting Financial Institution provides to that individual all information that he is entitled to under its domestic data protection legislation, and at least the following:

- a) the purpose of the processing of his personal data;
- b) the legal basis of the processing operation;
- c) the recipients of his personal data;
- d) the identity of the data controllers;
- e) the time-limits for storing the data,
- f) the existence of the right to request access to, rectification and erasure of his personal data from the controller;
- g) the right to seek administrative and/or judicial redress and the procedure to do so;
- h) the right to have recourse to the competent data protection supervisory authority or authorities and the relevant contact details.

This information shall be provided in sufficient time for the individual to exercise his data protection rights and, in any case, before the Reporting Financial Institution concerned reports the information referred to in Article 2 to the competent authority of its jurisdiction of residence (being a Member State or San Marino).

Member States and San Marino shall ensure that each individual Reportable Person is notified of a breach of security with regard to his data when that breach is likely to adversely affect the protection of his personal data or privacy.

2. Information processed in accordance with this Agreement shall be retained for no longer than necessary to achieve the purposes of this Agreement and, in any case, in accordance with each data controller's domestic rules on statute of limitations.

Reporting Financial Institutions and the competent authorities of each Member State and San Marino shall be considered to be data controllers, each with respect to the personal data it processes under this Agreement. The data controllers shall be responsible for ensuring compliance with the personal data protection safeguards set out in this Agreement and for the respect of the rights of the data subjects.

⁶ Bollettino Ufficiale della Repubblica di San Marino, 1.6.1995.

3. Any information obtained by a jurisdiction (being a Member State or San Marino) under this Agreement shall be treated as confidential and protected in the same manner as information obtained under the domestic laws and regulations of that jurisdiction and, to the extent necessary for the protection of personal data, in accordance with the safeguards which may be specified by the jurisdiction supplying the information as required under its domestic laws and regulations.

4. Such information shall in any case be disclosed only to persons or authorities (including courts and administrative or supervisory bodies) concerned with the assessment, collection or recovery of, the enforcement or prosecution in respect of, or the determination of appeals in relation to taxes of that jurisdiction (being a Member State or San Marino), or the oversight of these. Only the persons or authorities mentioned above may use the information only for purposes set out in this paragraph. They may, notwithstanding other provisions of this Article, disclose it in public court proceedings or in judicial decisions relating to such taxes.

5. Notwithstanding the provisions of the preceding paragraphs, information received by a jurisdiction (being a Member State or San Marino) may be used for other purposes when such information may be used for such other purposes under the laws, including those on the protection of personal data, of the supplying jurisdiction (being, respectively, San Marino or a Member State) and when the Competent Authority of that jurisdiction authorises such use. Information provided by a jurisdiction (being a Member State or San Marino) to another jurisdiction (being, respectively, San Marino or a Member State) may be transmitted by the latter to a third jurisdiction (being another Member State), subject to the safeguards provided for under this Article and to prior authorisation by the Competent Authority of the first-mentioned jurisdiction from which the information originated.

Information provided by one Member State to another Member State under its applicable law implementing Council Directive 2011/16/EU on administrative cooperation in the field of taxation may be transmitted to San Marino subject to prior authorisation by the Competent Authority of the Member State from which the information originated.

6. Each Competent Authority of a Member State or San Marino will immediately notify the other Competent Authority, i.e. that of San Marino or of the Member State concerned, regarding any breach of confidentiality or failure of data protection safeguards or any other breaches of data protection rules and any sanctions and remedial actions consequently imposed.

Article 7

Consultations and suspension of this Agreement

1. If any difficulties in the implementation or interpretation of this Agreement arise, any of the Competent Authorities of San Marino or a Member State may request consultations between the Competent Authority of San Marino and one or more of the Competent Authorities of Member States to develop appropriate measures to ensure that this Agreement is fulfilled. Those Competent Authorities shall immediately notify the European Commission and the Competent Authorities of the other Member States of the results of their consultations. In relation to issues of interpretation, the European Commission may take part in consultations at the request of any of the Competent Authorities.

2. If the consultation relates to significant non-compliance with the provisions of this Agreement, and the procedure described in paragraph 1 does not provide for an adequate settlement, the Competent Authority of a Member State or San Marino may suspend the exchange of information under this Agreement towards, respectively, San Marino or a specific Member State, by giving notice in writing to the other Competent Authority concerned. Such suspension will have immediate effect. For the purposes of this paragraph, significant non-compliance includes, but is not limited to, non-compliance with the confidentiality and data safeguard provisions of this agreement, including Annex III, of Directive 95/46/EC and of Law no. 70 of 23 May 1995, devoted to the "Reform of Law no. 27 of 1 March 1983" on Collection, Elaboration and Use of Computerized Personal Data, as applicable, a failure by the Competent Authority of a Member State or San Marino to provide timely or adequate information as required under this Agreement, defining the status of Entities or accounts as Non-Reporting Financial Institutions and Excluded Accounts in a manner that frustrates the purposes of this Agreement.

Article 8

Amendments

1. The Contracting Parties shall consult each other on each occasion when an important change is adopted at OECD level to any of the elements of the Global Standard or – if deemed necessary by the Contracting Parties – in order to improve the technical functioning of this Agreement or to assess and reflect other international developments. The consultations shall be held within one month of a request by either Contracting Party or as soon as possible in urgent cases.
2. On the basis of such a contact, the Contracting Parties may consult each other in order to examine whether changes to this Agreement are necessary.
3. For the purposes of the consultations referred to in paragraphs 1 and 2, each Contracting Party shall inform the other Contracting Party of possible developments which could affect the proper functioning of this Agreement. This shall also include any relevant agreement between one of the Contracting Parties and a third State.
4. Following the consultations, this Agreement may be amended by means of a protocol or a new agreement between the Contracting Parties.
5. Where a Contracting Party has implemented a change, adopted by the OECD, to the Global Standard, and wishes to make a corresponding change to Annexes I and/or II to this Agreement, it shall notify the other Contracting Party thereof. A consultation procedure between the Contracting Parties shall take place within one month from the notification. Notwithstanding paragraph 4, where the Contracting Parties reach a consensus within this consultation procedure on the change that should be made to Annexes I and/or II to this Agreement, and for the period of time necessary for implementation of the change by a formal amendment of this Agreement, the Contracting Party that requested the change may provisionally apply the revised version of Annexes I and/or II to this Agreement, as endorsed by the consultation procedure, as of the first day of January of the year following the conclusion of the aforementioned procedure.

A Contracting Party is considered as having implemented a change, adopted by the OECD, to the Global Standard:

(a) for Member States: when the change has been incorporated in Council Directive 2011/16/EU on administrative cooperation in the field of taxation

(b) for San Marino: when the change has been incorporated into domestic legislation.

Article 9

Termination

Either Contracting Party may terminate this Agreement by giving notice of termination in writing to the other Contracting Party. Such termination will become effective on the first day of the month following the expiration of a period of 12 months after the date of the notice of termination. In the event of termination, all information previously received under this Agreement will remain confidential and subject, (i) for Member States, to the provisions of Member States' laws and regulations implementing Directive 95/46/EC and (ii) for San Marino, to the provisions of Law no. 70 of 23 May 1995, devoted to the "Reform of Law no. 27 of 1 March 1983" on Collection, Elaboration and Use of Computerized Personal Data, and, in both cases, to the specific data protection safeguards set out in this Agreement, including those contained in Annex III.

Article 10

Territorial Scope

This Agreement shall apply, on the one hand, to the territories of the Member States in which the Treaty on European Union and the Treaty on the Functioning of the European Union are applied and under the conditions laid down in those Treaties and, on the other hand, to the territory of San Marino.”

(3) the Annexes shall be replaced by:

5. in the case of any Custodial Account:

However, a Reporting Financial Institution is required to use reasonable efforts to obtain the TIN(s) and date of birth with respect to Preexisting Accounts by the end of the second calendar year following the year in which Preexisting Accounts were identified as Reportable Accounts.

D. Notwithstanding subparagraph A(1), the TIN is not required to be reported if a TIN is not issued by the relevant Member State, San Marino or other jurisdiction of residence.

E. Notwithstanding subparagraph A(1), the place of birth is not required to be reported unless the Reporting Financial Institution is otherwise required to obtain and report it under domestic law and it is available in the electronically searchable data maintained by the Reporting Financial Institution.

Section II: General Due Diligence Requirements

A. An account is treated as a Reportable Account beginning as of the date it is identified as such pursuant to the due diligence procedures in Sections II to VII and, unless otherwise provided, information with respect to a Reportable Account must be reported annually in the calendar year following the year to which the information relates.

B. The balance or value of an account is determined as of the last day of the calendar year or other appropriate reporting period.

C. Where a balance or value threshold is to be determined as of the last day of a calendar year, the relevant balance or value must be determined as of the last day of the reporting period that ends with or within that calendar year.

D. Each Member State or San Marino may allow Reporting Financial Institutions to use service providers to fulfil the reporting and due diligence obligations imposed on such Reporting Financial Institutions, as contemplated in domestic law, but those obligations shall remain the responsibility of the Reporting Financial Institutions.

E. Each Member State or San Marino may allow Reporting Financial Institutions to apply the due diligence procedures for New Accounts to Preexisting Accounts, and the due diligence procedures for High Value Accounts to Lower Value Accounts. Where a Member State or San Marino allows New Account due diligence procedures to be used for Preexisting Accounts, the rules otherwise applicable to Preexisting Accounts continue to apply.

Section III: Due Diligence for Preexisting Individual Accounts

A. Introduction. The following procedures apply for purposes of identifying Reportable Accounts among Preexisting Individual Accounts.

B. Lower Value Accounts. The following procedures apply with respect to Lower Value Accounts.

1. Residence Address. If the Reporting Financial Institution has in its records a current residence address for the individual Account Holder based on Documentary Evidence, the Reporting Financial Institution may treat the individual Account Holder as being a resident for tax purposes of the Member State or San Marino or other jurisdiction in which the address is located for purposes of determining whether such individual Account Holder is a Reportable Person.

2. Electronic Record Search. If the Reporting Financial Institution does not rely on a current residence address for the individual Account Holder based on Documentary Evidence as set forth in subparagraph B(1), the Reporting Financial Institution must review electronically searchable data maintained by the Reporting Financial Institution for any of the following indicia and apply subparagraphs B(3) to (6):

(a) identification of the Account Holder as a resident of a Reportable Jurisdiction;

(b) current mailing or residence address (including a post office box) in a Reportable Jurisdiction;

(c) one or more telephone numbers in a Reportable Jurisdiction and no telephone number in the Republic of San Marino or the Member State of the Reporting Financial Institution, as the context requires;

(d) standing instructions (other than with respect to a Depository Account) to transfer funds to an account maintained in a Reportable Jurisdiction;

(e) currently effective power of attorney or signatory authority granted to a person with an address in a Reportable Jurisdiction; or

(f) a “hold mail” instruction or “in-care-of” address in a Reportable Jurisdiction if the Reporting Financial Institution does not have any other address on file for the Account Holder.

3. If none of the indicia listed in subparagraph B(2) are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more indicia being associated with the account, or the account becomes a High Value Account.

4. If any of the indicia listed in subparagraphs B(2)(a) to (e) are discovered in the electronic search, or if there is a change in circumstances that results in one or more indicia being associated with the account, then the Reporting Financial Institution must treat the Account Holder as a resident for tax purposes of each Reportable Jurisdiction for which an indicium is identified, unless it elects to apply subparagraph B(6) and one of the exceptions in that subparagraph applies with respect to that account.

5. If a “hold mail” instruction or “in-care-of” address is discovered in the electronic search and no other address and none of the other indicia listed in subparagraphs B(2)(a) to (e) are identified for the Account Holder, the Reporting Financial Institution must, in the order most appropriate to the circumstances, apply the paper record search described in subparagraph C(2), or seek to obtain from the Account Holder a self-certification or Documentary Evidence to establish the residence(s) for tax purposes of such Account Holder. If the paper search fails to establish an indicium and the attempt to obtain the self-certification or Documentary Evidence is not successful, the Reporting Financial Institution must report the account to the Competent Authority of its Member State or San Marino, as the context requires, as an undocumented account.

6. Notwithstanding a finding of indicia under subparagraph B(2), a Reporting Financial Institution is not required to treat an Account Holder as a resident of a Reportable Jurisdiction if:

(a) the Account Holder information contains a current mailing or residence address in the Reportable Jurisdiction, one or more telephone numbers in that Reportable Jurisdiction (and no telephone number in San Marino or the Member State of the Reporting Financial Institution, as the context requires) or standing instructions (with respect to Financial Accounts other than Depository Accounts) to transfer funds to an account maintained in a Reportable Jurisdiction, and the Reporting Financial Institution obtains, or has previously reviewed and maintains a record of:

(i) a self-certification from the Account Holder of the jurisdiction(s) of residence (being a Member State, San Marino or other jurisdictions) of such Account Holder that does not include such Reportable Jurisdiction; and

(ii) Documentary Evidence establishing the Account Holder's non-reportable status.

(b) the Account Holder information contains a currently effective power of attorney or signatory authority granted to a person with an address in the Reportable Jurisdiction, and the Reporting Financial Institution obtains, or has previously reviewed and maintains a record of:

(i) a self-certification from the Account Holder of the jurisdiction(s) of residence (being a Member State, San Marino or other jurisdictions) of such Account Holder that does not include such Reportable Jurisdiction; or

(ii) Documentary Evidence establishing the Account Holder's non-reportable status.

C. Enhanced Review Procedures for High Value Accounts. The following enhanced review procedures apply with respect to High Value Accounts.

1. Electronic Record Search. With respect to High Value Accounts, the Reporting Financial Institution must review electronically searchable data maintained by the Reporting Financial Institution for any of the indicia described in subparagraph B(2).

2. Paper Record Search. If the Reporting Financial Institution's electronically searchable databases include fields for, and capture, all of the information described in, subparagraph C(3), then a further paper record search is not required. If the electronic databases do not capture all of that information, then with respect to a High Value Account, the Reporting Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Financial Institution within the last five years for any of the indicia described in subparagraph B(2):

(a) the most recent Documentary Evidence collected with respect to the account;

(b) the most recent account opening contract or documentation;

(c) the most recent documentation obtained by the Reporting Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;

(d) any power of attorney or signature authority forms currently in effect; and

(e) any standing instructions (other than with respect to a Depository Account) to transfer funds currently in effect.

3. Exception To The Extent Databases Contain Sufficient Information. A Reporting Financial Institution is not required to perform the paper record search described in subparagraph C(2)

to the extent the Reporting Financial Institution's electronically searchable information includes the following:

- (a) the Account Holder's residence status;
- (b) the Account Holder's residence address and mailing address currently on file with the Reporting Financial Institution;
- (c) the Account Holder's telephone number(s) currently on file, if any, with the Reporting Financial Institution;
- (d) in the case of Financial Accounts other than Depository Accounts, whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Financial Institution or another Financial Institution);
- (e) whether there is a current "in-care-of" address or "hold mail" instruction for the Account Holder; and
- (f) whether there is any power of attorney or signatory authority for the account.

4. Relationship Manager Inquiry for Actual Knowledge. In addition to the electronic and paper record searches described in subparagraphs C(1) and (2), the Reporting Financial Institution must treat as a Reportable Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with that High Value Account) if the relationship manager has actual knowledge that the Account Holder is a Reportable Person.

5. Effect of Finding Indicia.

(a) If none of the indicia listed in subparagraph B(2) are discovered in the enhanced review of High Value Accounts described in paragraph C, and the account is not identified as held by a Reportable Person in subparagraph C(4), then further action is not required until there is a change in circumstances that results in one or more indicia being associated with the account.

(b) If any of the indicia listed in subparagraphs B(2)(a) to (e) are discovered in the enhanced review of High Value Accounts described in paragraph C, or if there is a subsequent change in circumstances that results in one or more indicia being associated with the account, then the Reporting Financial Institution must treat the account as a Reportable Account with respect to each Reportable Jurisdiction for which an indicium is identified unless it elects to apply subparagraph B(6) and one of the exceptions in that subparagraph applies with respect to that account.

(c) If a "hold mail" instruction or "in-care-of" address is discovered in the enhanced review of High Value Accounts described in paragraph C, and no other address and none of the other indicia listed in subparagraphs B(2)(a) to (e) are identified for the Account Holder, the Reporting Financial Institution must obtain from such Account Holder a self-certification or Documentary Evidence to establish the residence(s) for tax purposes of the Account Holder. If the Reporting Financial Institution cannot obtain such self-certification or Documentary Evidence, it must report the account to the Competent Authority of its Member State or San Marino, as the context requires, as an undocumented account.

6. If a Preexisting Individual Account is not a High Value Account as of 31 December 2015, but becomes a High Value Account as of the last day of a subsequent calendar year, the Reporting Financial Institution must complete the enhanced review procedures described in paragraph C with respect to such account within the calendar year following the year in which the account becomes a High Value Account. If based on that review, such account is identified as a Reportable Account, the Reporting Financial Institution must report the

required information about such account with respect to the year in which it is identified as a Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Reportable Person.

7. Once a Reporting Financial Institution applies the enhanced review procedures described in paragraph C to a High Value Account, the Reporting Financial Institution is not required to re-apply such procedures, other than the relationship manager inquiry described in subparagraph C(4), to the same High Value Account in any subsequent year unless the account is undocumented where the Reporting Financial Institution should re-apply them annually until such account ceases to be undocumented.

8. If there is a change of circumstances with respect to a High Value Account that results in one or more indicia described in subparagraph B(2) being associated with the account, then the Reporting Financial Institution must treat the account as a Reportable Account with respect to each Reportable Jurisdiction for which an indicium is identified unless it elects to apply subparagraph B(6) and one of the exceptions in that subparagraph applies with respect to that account.

9. A Reporting Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in a Reportable Jurisdiction, the Reporting Financial Institution is required to treat the new address as a change in circumstances and, if it elects to apply subparagraph B(6), is required to obtain the appropriate documentation from the Account Holder.

D. Review of Preexisting High Value Individual Accounts must be completed by 31 December 2016. Review of Preexisting Lower Value Individual Accounts must be completed by 31 December 2017.

E. Any Preexisting Individual Account that has been identified as a Reportable Account under this Section must be treated as a Reportable Account in all subsequent years, unless the Account Holder ceases to be a Reportable Person.

Section IV: Due Diligence for New Individual Accounts

The following procedures apply for purposes of identifying Reportable Accounts among New Individual Accounts.

A. With respect to New Individual Accounts, upon account opening, the Reporting Financial Institution must obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.

B. If the self-certification establishes that the Account Holder is resident for tax purposes in a Reportable Jurisdiction, the Reporting Financial Institution must treat the account as a Reportable Account and the self-certification must also include the Account Holder's TIN with respect to such Reportable Jurisdiction (subject to paragraph D of Section I) and date of birth.

C. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Financial Institution cannot rely on the

original self-certification and must obtain a valid self-certification that establishes the residence(s) for tax purposes of the Account Holder.

Section V: Due Diligence for Preexisting Entity Accounts

The following procedures apply for purposes of identifying Reportable Accounts among Preexisting Entity Accounts.

A. Entity Accounts Not Required to Be Reviewed, Identified or Reported. Unless the Reporting Financial Institution elects otherwise, either with respect to all Preexisting Entity Accounts or, separately, with respect to any clearly identified group of such accounts, a Preexisting Entity Account with an aggregate account balance or value that does not exceed, as of 31 December 2015, an amount denominated in the domestic currency of each Member State or San Marino and corresponding to USD 250 000, is not required to be reviewed, identified, or reported as a Reportable Account until the aggregate account balance or value exceeds that amount as of the last day of any subsequent calendar year.

B. Entity Accounts Subject to Review. A Preexisting Entity Account that has an aggregate account balance or value that exceeds, as of 31 December 2015, an amount denominated in the domestic currency of each Member State or San Marino and corresponding to USD 250 000, and a Preexisting Entity Account that does not exceed, as of 31 December 2015, that amount but the aggregate account balance or value of which exceeds such amount as of the last day of any subsequent calendar year, must be reviewed in accordance with the procedures set forth in paragraph D.

C. Entity Accounts With Respect to Which Reporting Is Required. With respect to Preexisting Entity Accounts described in paragraph B, only accounts that are held by one or more Entities that are Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons, shall be treated as Reportable Accounts.

D. Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required. For Preexisting Entity Accounts described in paragraph B, a Reporting Financial Institution must apply the following review procedures to determine whether the account is held by one or more Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons:

1. Determine Whether the Entity Is a Reportable Person.

(a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is resident in a Reportable Jurisdiction. For this purpose, information indicating that the Account Holder is resident in a Reportable Jurisdiction includes a place of incorporation or organisation, or an address in a Reportable Jurisdiction.

(b) If the information indicates that the Account Holder is resident in a Reportable Jurisdiction, the Reporting Financial Institution must treat the account as a Reportable Account unless it obtains a self-certification from the Account Holder, or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person.

2. Determine Whether the Entity is a Passive NFE with One or More Controlling Persons Who Are Reportable Persons. With respect to an Account Holder of a Preexisting Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution must determine whether the Account Holder is a Passive NFE with one or more Controlling

Persons who are Reportable Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account must be treated as a Reportable Account. In making these determinations the Reporting Financial Institution must follow the guidance in subparagraphs D(2)(a) to (c) in the order most appropriate under the circumstances.

(a) Determining whether the Account Holder is a Passive NFE. For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution must obtain a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity described in subparagraph A(6)(b) of Section VIII that is not a Participating Jurisdiction Financial Institution.

(b) Determining the Controlling Persons of an Account Holder. For the purposes of determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.

(c) Determining whether a Controlling Person of a Passive NFE is a Reportable Person. For the purposes of determining whether a Controlling Person of a Passive NFE is a Reportable Person, a Reporting Financial Institution may rely on:

(i) information collected and maintained pursuant to AML/KYC Procedures in the case of a Preexisting Entity Account held by one or more NFEs with an aggregate account balance or value that does not exceed an amount denominated in the domestic currency of each Member State or San Marino and corresponding to USD 1 000 000; or

(ii) a self-certification from the Account Holder or such Controlling Person of the jurisdiction(s) (being a Member State, San Marino or other jurisdictions) in which the Controlling Person is resident for tax purposes.

E. Timing of Review and Additional Procedures Applicable to Preexisting Entity Accounts.

1. Review of Preexisting Entity Accounts with an aggregate account balance or value that exceeds, as of 31 December 2015, an amount denominated in the domestic currency of each Member State or San Marino and corresponding to USD 250 000, must be completed by 31 December 2017.

2. Review of Preexisting Entity Accounts with an aggregate account balance or value that does not exceed, as of 31 December 2015, an amount denominated in the domestic currency of each Member State or San Marino and corresponding to USD 250 000, but exceeds that amount as of 31 December of a subsequent year, must be completed within the calendar year following the year in which the aggregate account balance or value exceeds such amount.

3. If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Financial Institution must re-determine the status of the account in accordance with the procedures set forth in paragraph D.

Section VI: Due Diligence for New Entity Accounts

The following procedures apply for purposes of identifying Reportable Accounts among New Entity Accounts.

A. Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required. For New Entity Accounts, a Reporting Financial Institution must apply the following review procedures to determine whether the account is held by one or more Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons:

1. Determine Whether the Entity Is a Reportable Person.

(a) Obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures. If the Entity certifies that it has no residence for tax purposes, the Reporting Financial Institution may rely on the address of the principal office of the Entity to determine the residence of the Account Holder.

(b) If the self-certification indicates that the Account Holder is resident in a Reportable Jurisdiction, the Reporting Financial Institution must treat the account as a Reportable Account unless it reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person with respect to such Reportable Jurisdiction.

2. Determine Whether the Entity is a Passive NFE with One or More Controlling Persons Who Are Reportable Persons. With respect to an Account Holder of a New Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution must determine whether the Account Holder is a Passive NFE with one or more Controlling Persons who are Reportable Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account must be treated as a Reportable Account. In making these determinations the Reporting Financial Institution must follow the guidance in subparagraphs A(2)(a) to (c) in the order most appropriate under the circumstances.

(a) Determining whether the Account Holder is a Passive NFE. For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution must rely on a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity described in subparagraph A(6)(b) of Section VIII that is not a Participating Jurisdiction Financial Institution .

(b) Determining the Controlling Persons of an Account Holder. For purposes of determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.

(c) Determining whether a Controlling Person of a Passive NFE is a Reportable Person. For purposes of determining whether a Controlling Person of a Passive NFE is a Reportable Person, a Reporting Financial Institution may rely on a self-certification from the Account Holder or such Controlling Person.

Section VII: Special Due Diligence Rules

The following additional rules apply in implementing the due diligence procedures described above:

A. Reliance on Self-Certifications and Documentary Evidence. A Reporting Financial Institution may not rely on a self-certification or Documentary Evidence if the Reporting Financial Institution knows or has reason to know that the self-certification or Documentary Evidence is incorrect or unreliable.

B. Alternative Procedures for Financial Accounts Held by Individual Beneficiaries of a Cash Value Insurance Contract or an Annuity Contract and for a Group Cash Value Insurance Contract or Group Annuity Contract. A Reporting Financial Institution may presume that an individual beneficiary (other than the owner) of a Cash Value Insurance Contract or an Annuity Contract receiving a death benefit is not a Reportable Person and may treat such Financial Account as other than a Reportable Account unless the Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person. A Reporting Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract or an Annuity Contract is a Reportable Person if the information collected by the Reporting Financial Institution and associated with the beneficiary contains indicia as described in paragraph B of Section III. If a Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person, the Reporting Financial Institution must follow the procedures in paragraph B of Section III.

A Member State or San Marino shall have the option to allow Reporting Financial Institutions to treat a Financial Account that is a member's interest in a Group Cash Value Insurance Contract or Group Annuity Contract as a Financial Account that is not a Reportable Account until the date on which an amount is payable to the employee/certificate holder or beneficiary, if the Financial Account that is a member's interest in a Group Cash Value Insurance Contract or Group Annuity Contract meets the following requirements:

- (a) the Group Cash Value Insurance Contract or Group Annuity Contract is issued to an employer and covers 25 or more employees/certificate holders;
- (b) the employee/certificate holders are entitled to receive any contract value related to their interests and to name beneficiaries for the benefit payable upon the employee's death; and
- (c) the aggregate amount payable to any employee/certificate holder or beneficiary does not exceed an amount denominated in the domestic currency of each Member State or San Marino and corresponding to USD 1 000 000.

The term "Group Cash Value Insurance Contract" means a Cash Value Insurance Contract that (i) provides coverage on individuals who are affiliated through an employer, trade association, labour union, or other association or group; and (ii) charges a premium for each member of the group (or member of a class within the group) that is determined without regard to the individual health characteristics other than age, gender, and smoking habits of the member (or class of members) of the group.

The term "Group Annuity Contract" means an Annuity Contract under which the obligees are individuals who are affiliated through an employer, trade association, labour union, or other association or group.

Marino to all Member States. All further changes to the exercise of that option by a Member State or San Marino shall be communicated in the same manner.

C. Account Balance Aggregation and Currency Rules.

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Financial Institution is required to aggregate all Financial Accounts maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerised systems link the Financial Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this subparagraph.

2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Financial Institution is required to take into account all Financial Accounts that are maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerised systems link the Financial Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this subparagraph.

3. **Special Aggregation Rule Applicable to Relationship Managers.** For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a Financial Account is a High Value Account, a Reporting Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.

4. **Amounts Read to Include Equivalent in Other Currencies.** All amounts denominated in the domestic currency of each Member State or San Marino shall be read to include equivalent amounts in other currencies, as determined by domestic law.

Section VIII: Defined Terms

The following terms have the meanings set forth below:

A. Reporting Financial Institution

1. The term "Reporting Financial Institution" means any Member State Financial Institution or San Marino Financial Institution, as the context requires, that is not a Non-Reporting Financial Institution.

2. The term "Participating Jurisdiction Financial Institution" means (i) any Financial Institution that is resident in a Participating Jurisdiction, but excludes any branch of that Financial Institution that is located outside such Participating Jurisdiction, and (ii) any branch of a Financial Institution that is not resident in a Participating Jurisdiction, if that branch is located in such Participating Jurisdiction.

3. The term "Financial Institution" means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company.

4. The term “Custodial Institution” means any Entity that holds, as a substantial portion of its business, Financial Assets for the account of others. An Entity holds Financial Assets for the account of others as a substantial portion of its business if the Entity’s gross income attributable to the holding of Financial Assets and related financial services equals or exceeds 20 % of the Entity’s gross income during the shorter of: (i) the three-year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the Entity has been in existence.

5. The term “Depository Institution” means any Entity that accepts deposits in the ordinary course of a banking or similar business.

6. The term “Investment Entity” means any Entity:

(a) which primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:

(i) trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;

(ii) individual and collective portfolio management; or

(iii) otherwise investing, administering, or managing Financial Assets or money on behalf of other persons; or

(b) the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets, if the Entity is managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or an Investment Entity described in subparagraph A(6)(a).

An Entity is treated as primarily conducting as a business one or more of the activities described in subparagraph A(6)(a), or an Entity’s gross income is primarily attributable to investing, reinvesting, or trading in Financial Assets for the purposes of subparagraph A(6)(b), if the Entity’s gross income attributable to the relevant activities equals or exceeds 50 % of the Entity’s gross income during the shorter of: (i) the three-year period ending on 31 December of the year preceding the year in which the determination is made; or (ii) the period during which the Entity has been in existence. The term “Investment Entity” does not include an Entity that is an Active NFE because that Entity meets any of the criteria in subparagraphs D(9)(d) to (g).

This paragraph shall be interpreted in a manner consistent with similar language set forth in the definition of “financial institution” in the Financial Action Task Force Recommendations.

7. The term “Financial Asset” includes a security (for example, a share of stock in a corporation; partnership or beneficial ownership interest in a widely held or publicly traded partnership or trust; note, bond, debenture, or other evidence of indebtedness), partnership interest, commodity, swap (for example, interest rate swaps, currency swaps, basis swaps, interest rate caps, interest rate floors, commodity swaps, equity swaps, equity index swaps, and similar agreements), Insurance Contract or Annuity Contract, or any interest (including a futures or forward contract or option) in a security, partnership interest, commodity, swap, Insurance Contract, or Annuity Contract. The term “Financial Asset” does not include a non-debt, direct interest in real property.

8. The term “Specified Insurance Company” means any Entity that is an insurance company (or the holding company of an insurance company) which issues, or is obligated to make payments with respect to, a Cash Value Insurance Contract or an Annuity Contract.

B. Non-Reporting Financial Institution

1. The term “Non-Reporting Financial Institution” means any Financial Institution which is:

(a) a Governmental Entity, International Organisation or Central Bank, other than with respect to a payment that is derived from an obligation held in connection with a commercial financial activity of a type engaged in by a Specified Insurance Company, Custodial Institution, or Depository Institution;

(b) a Broad Participation Retirement Fund; a Narrow Participation Retirement Fund; a Pension Fund of a Governmental Entity, International Organisation or Central Bank; or a Qualified Credit Card Issuer;

(c) any other Entity that presents a low risk of being used to evade tax, has substantially similar characteristics to any of the Entities described in subparagraphs B(1)(a) and (b), and is defined in domestic law as a Non-Reporting Financial Institution, and, for Member States, is provided for in paragraph 7a of Article 8 of Council Directive 2011/16/EU on administrative cooperation in the field of taxation and communicated to San Marino and for San Marino, is communicated to the European Commission, provided that the status of such Entity as a Non-Reporting Financial Institution does not frustrate the purposes of this Agreement;

(d) an Exempt Collective Investment Vehicle; or

(e) a trust to the extent that the trustee of the trust is a Reporting Financial Institution and reports all information required to be reported pursuant to Section I with respect to all Reportable Accounts of the trust.

2. The term “Governmental Entity” means the government of a Member State, San Marino or other jurisdiction, any political subdivision of a Member State, San Marino or other jurisdiction (which, for the avoidance of doubt, includes a state, province, county, or municipality), or any wholly owned agency or instrumentality of a Member State, San Marino or other jurisdiction or of any one or more of the foregoing (each, a “Governmental Entity”). This category is comprised of the integral parts, controlled entities, and political subdivisions of a Member State, San Marino or other jurisdiction.

(a) An “integral part” of a Member State, San Marino or other jurisdiction means any person, organisation, agency, bureau, fund, instrumentality, or other body, however designated, that constitutes a governing authority of a Member State, San Marino or other jurisdiction. The net earnings of the governing authority must be credited to its own account or to other accounts of the Member State, San Marino or other jurisdiction, with no portion inuring to the benefit of any private person. An integral part does not include any individual who is a sovereign, official, or administrator acting in a private or personal capacity.

(b) A controlled entity means an Entity which is separate in form from the Member State, San Marino or other jurisdiction or which otherwise constitutes a separate juridical entity, provided that:

(i) the Entity is wholly owned and controlled by one or more Governmental Entities directly or through one or more controlled entities;

(ii) the Entity’s net earnings are credited to its own account or to the accounts of one or more Governmental Entities, with no portion of its income inuring to the benefit of any private person; and

(iii) the Entity’s assets vest in one or more Governmental Entities upon dissolution.

(c) Income does not inure to the benefit of private persons if such persons are the intended beneficiaries of a governmental programme, and the programme activities are performed for

the general public with respect to the common welfare or relate to the administration of some phase of government. Notwithstanding the foregoing, however, income is considered to inure to the benefit of private persons if the income is derived from the use of a Governmental Entity to conduct a commercial business, such as a commercial banking business, that provides financial services to private persons.

3. The term “International Organisation” means any international organisation or wholly owned agency or instrumentality thereof. This category includes any intergovernmental organisation (including a supranational organisation) (i) that is comprised primarily of governments; (ii) that has in effect a headquarters or substantially similar agreement with the Member State, San Marino or the other jurisdiction; and (iii) the income of which does not inure to the benefit of private persons.

4. The term “Central Bank” means an institution that is by law or government sanction the principal authority, other than the government of the Member State, San Marino or the other jurisdiction itself, issuing instruments intended to circulate as currency. Such an institution may include an instrumentality that is separate from the government of the Member State, San Marino or the other jurisdiction, whether or not owned in whole or in part by the Member State, San Marino or the other jurisdiction.

5. The term “Broad Participation Retirement Fund” means a fund established to provide retirement, disability, or death benefits, or any combination thereof, to beneficiaries who are current or former employees (or persons designated by such employees) of one or more employers in consideration for services rendered, provided that the fund:

- (a) does not have a single beneficiary with a right to more than 5% of the fund’s assets;
- (b) is subject to government regulation and provides information reporting to the tax authorities; and
- (c) satisfies at least one of the following requirements:
 - (i) the fund is generally exempt from tax on investment income, or taxation of such income is deferred or taxed at a reduced rate, due to its status as a retirement or pension plan;
 - (ii) the fund receives at least 50 % of its total contributions (other than transfers of assets from other plans described in subparagraphs B(5) to (7) or from retirement and pension accounts described in subparagraph C(17)(a)) from the sponsoring employers;

ANNEX II

Complementary Reporting and Due Diligence rules for financial account information

1. Change in circumstances

A 'change in circumstances' includes any change that results in the addition of information relevant to a person's status or otherwise conflicts with such person's status. In addition, a change in circumstances includes any change or addition of information to the Account Holder's account (including the addition, substitution, or other change of an Account Holder) or any change or addition of information to any account associated with such account (applying the account aggregation rules described in subparagraphs C(1) to (3) of Section VII of Annex I) if such change or addition of information affects the status of the Account Holder. If a Reporting Financial Institution has relied on the residence address test described in subparagraph B(1) of Section III of Annex I and there is a change in circumstances that causes the Reporting Financial Institution to know or have reason to know that the original Documentary Evidence (or other equivalent documentation) is incorrect or unreliable, the Reporting Financial Institution must, by the later of the last day of the relevant calendar year or other appropriate reporting period, or 90 calendar days following the notice or discovery of such change in circumstances, obtain a self-certification and new Documentary Evidence to establish the residence(s) for tax purposes of the Account Holder. If the Reporting Financial Institution cannot obtain the self-certification and new Documentary Evidence by such date, the Reporting Financial Institution must apply the electronic record search procedure described in subparagraphs B(2) to (6) of Section III of Annex I.

2. Self-certification for New Entity Accounts

With respect to New Entity Accounts, for the purposes of determining whether a Controlling Person of a Passive NFE is a Reportable Person, a Reporting Financial Institution may only rely on a self-certification from either the Account Holder or the Controlling Person.

3. Residence of a Financial Institution

A Financial Institution is 'resident' in a Member State, San Marino or another Participating Jurisdiction if it is subject to the jurisdiction of such Member State, San Marino or another Participating Jurisdiction (i.e., the Participating Jurisdiction is able to enforce reporting by the Financial Institution). In general, where a Financial Institution is resident for tax purposes in a Member State, San Marino or another Participating Jurisdiction, it is subject to the jurisdiction of such Member State, San Marino or another Participating Jurisdiction and it is, thus, a Member State Financial Institution, San Marino Financial Institution or another Participating Jurisdiction Financial Institution. In the case of a trust that is a Financial Institution (irrespective of whether it is resident for tax purposes in a Member State, San Marino or another Participating Jurisdiction), the trust is considered to be subject to the jurisdiction of a Member State, San Marino or another Participating Jurisdiction if one or more of its trustees are resident in such Member State, San Marino or another Participating Jurisdiction except if the trust reports all the information required to be reported pursuant to this Agreement or another agreement implementing the Global Standard with respect to Reportable Accounts maintained by the trust to another Participating Jurisdiction (being a Member State, San Marino or another Participating Jurisdiction), because it is resident for tax purposes in such

other Participating Jurisdiction. However, where a Financial Institution (other than a trust) does not have a residence for tax purposes (e.g., because it is treated as fiscally transparent, or it is located in a jurisdiction that does not have an income tax), it is considered to be subject to the jurisdiction of a Member State, San Marino or another Participating Jurisdiction and it is, thus, a Member State, San Marino or another Participating Jurisdiction Financial Institution if:

- it is incorporated under the laws of the Member State, San Marino or another Participating Jurisdiction ;
- it has its place of management (including effective management) in the Member State, San Marino or another Participating Jurisdiction ; or
- it is subject to financial supervision in the Member State, San Marino or another Participating Jurisdiction.

Where a Financial Institution (other than a trust) is resident in two or more Participating Jurisdictions (being a Member State, San Marino or another Participating Jurisdiction), such Financial Institution will be subject to the reporting and due diligence obligations of the Participating Jurisdiction in which it maintains the Financial Account(s).

4. Account maintained

In general, an account would be considered to be maintained by a Financial Institution as follows:

- in the case of a Custodial Account, by the Financial Institution that holds custody over the assets in the account (including a Financial Institution that holds assets in street name for an Account Holder in such institution).
- in the case of a Depository Account, by the Financial Institution that is obligated to make payments with respect to the account (excluding an agent of a Financial Institution regardless of whether such agent is a Financial Institution).
- in the case of any equity or debt interest in a Financial Institution that constitutes a Financial Account, by such Financial Institution.
- in the case of a Cash Value Insurance Contract or an Annuity Contract, by the Financial Institution that is obligated to make payments with respect to the contract.

5. Trusts that are Passive NFEs

An Entity such as a partnership, limited liability partnership or similar legal arrangement that has no residence for tax purposes, according to subparagraph D(3) of Section VIII of Annex I, shall be treated as resident in the jurisdiction in which its place of effective management is situated. For these purposes, a legal person or a legal arrangement is considered ‘similar’ to a partnership and a limited liability partnership where it is not treated as a taxable unit in a Reportable Jurisdiction under the tax laws of such Reportable Jurisdiction. However, in order to avoid duplicate reporting (given the wide scope of the term “Controlling Persons” in the

case of trusts), a trust that is a Passive NFE may not be considered a similar legal arrangement.

6. Address of Entity's principal office

One of the requirements described in subparagraph E(6)(c) of Section VIII of Annex I is that, with respect to an Entity, the official documentation includes either the address of the Entity's principal office in the Member State, San Marino or other jurisdiction in which it claims to be a resident or the Member State, San Marino or other jurisdiction in which the Entity was incorporated or organised. The address of the Entity's principal office is generally the place in which its place of effective management is situated. The address of a Financial Institution with which the Entity maintains an account, a post office box, or an address used solely for mailing purposes is not the address of the Entity's principal office unless such address is the only address used by the Entity and appears as the Entity's registered address in the Entity's organisational documents. Further, an address that is provided subject to instructions to hold all mail to that address is not the address of the Entity's principal office.

ANNEX III

ADDITIONAL DATA PROTECTION SAFEGUARDS REGARDING THE TREATMENT OF THE DATA COLLECTED AND EXCHANGED UNDER THIS AGREEMENT

1. Definitions

- (a) “personal data” means any information relating to an identified or identifiable natural person (a “data subject”); an identifiable person is one who can be identified, directly or indirectly, in particular by reference to an identification number or to one or more factors specific to his physical, physiological, mental, economic, cultural or social identity;

Where information received from another jurisdiction under this Agreement is, in accordance with the conditions set out in Article 6(5) of this Agreement, used for other purposes within the receiving jurisdiction, or is transmitted by the receiving jurisdiction to a third jurisdiction (being another Member State or San Marino), the Competent Authority of the receiving jurisdiction using the information for other purposes or transmitting it to a third jurisdiction shall inform the individual Reportable Person concerned. This information shall be provided in sufficient time for the individual to exercise his data protection rights and, in any case, before the receiving jurisdiction has used the information for the other purposes or transmitted it to the third jurisdiction.

With respect to any personal data which is processed under this Agreement, any individual shall have the right to request access to his personal data that is processed by the Reporting Financial Institutions and/or the Competent Authorities and to rectification where the data is inaccurate. Where the data is unlawfully processed the individual may request its erasure.

To facilitate the exercise of this right, each individual shall be enabled to make requests for access to, rectification and/or erasure of his data which are addressed to the other Competent Authority via his own Competent Authority.

The requested Competent Authority shall provide access to the relevant data and, where appropriate, update and/or correct any inaccurate or incomplete data.

5. Right of redress

With respect to any personal data which is processed under this Agreement, any individual shall have the right to effective administrative and judicial redress regardless of his nationality and country of residence in either or all of the jurisdictions involved.

6. Automated processing

The Competent Authorities shall not take any decision which produces adverse legal effects concerning an individual or significantly affects him and which is based solely on automated processing of data intended to evaluate certain personal aspects relating to him.

7. Transfers to authorities of third countries

A Competent Authority may occasionally transfer personal data received pursuant to this Agreement to public authorities in third countries, other than the Member States and San Marino, if all of the following circumstances apply:

- (a) the transfer is necessary for the purposes specified in Article 6(4) in the receiving third country and the data will be used by the receiving third country only for such purposes;
- (b) the data is relevant and proportionate to the purposes for which it is transferred;
- (c) the competences of the third country authority are directly related to the purposes referred to in Article 6(4);
- (d) the receiving third country ensures a level of protection of the personal data equivalent to the one established by this Agreement, as well as undertakes not to transfer the received data to any third parties;
- (e) the Competent Authority from which the information was received has provided prior agreement; and
- (f) the data subject has been informed of the transfer.

Any other transfers of information received pursuant to this Agreement to third parties shall be prohibited.

8. Data integrity and security

With respect to the information processed under this Agreement, the Contracting Parties and the Reporting Financial Institutions shall have in place:

- (a) appropriate safeguards to ensure that such information remains confidential and is used solely for the purposes and by the persons or authorities referred to in Article 6;
 - (b) the infrastructure for an effective exchange relationship (including established processes for ensuring timely, accurate, secure and confidential information exchanges, effective and reliable communications, and capabilities to promptly resolve questions and concerns about exchanges or requests for exchanges and to administer the provisions of Article 4 of this Agreement); and
1. technical and organisational measures to prevent any unauthorised disclosure or access, accidental or unlawful destruction or accidental loss, or alteration, or any other unlawful form of processing;
- (c) technical and organisational measures for the rectification of any inaccurate information and the deletion of information for which there is no legal grounds to be retained.

The Contracting Parties shall ensure that the Reporting Financial Institutions shall without delay notify the Competent Authority in their jurisdiction when they have reasons to believe that they have reported any incorrect or incomplete information to such Competent Authority. The notified Competent Authority will take all appropriate measures available under its domestic law to address the errors described in the notice.

9. Sanctions

The Contracting Parties shall ensure that any infringement of the provisions on the protection of personal data set out in this Agreement shall be subject to effective and dissuasive sanctions.

10. Oversight

The processing of personal data by Reporting Financial Institutions and Competent Authorities under this Agreement shall be subject to the supervision of (i) the national data protection supervisory authorities established under their domestic laws implementing Directive 95/46/EC, in the Member States, and (ii) the Guarantor for the Confidentiality of Personal Data, established by Law no. 70 of 23 May 1995, devoted to the "Reform of Law no. 27 of 1 March 1983" on Collection, Elaboration and Use of Computerized Personal Data, in San Marino.

These authorities in the Member States and San Marino shall have effective powers of oversight, investigation, intervention and review, and shall have power to refer violations of law for legal action, where appropriate. They shall in particular ensure that complaints relating to non-compliance are received, investigated, responded to, and appropriately redressed.

Joint declarations of the Contracting Parties:

Joint declaration of the Contracting Parties on the Agreement and the Annexes

The Parties agree, regarding the implementation of the Agreement and the Annexes I, that the Commentaries to the OECD Model Competent Authority Agreement and Common Reporting Standard should be a source of illustration or interpretation and in order to ensure consistency in application.

Joint declaration of the Contracting Parties on Article 5

The Contracting Parties agree, regarding the implementation of Article 5 on Exchange of Information upon Request, that the Commentary to Article 26 of the OECD Model Tax Convention on Income and on Capital in the version current at the time of signature of the Amending Protocol should be a source of interpretation.

Where the OECD adopts new versions of the Commentary to Article 26 of the OECD Model Tax Convention on Income and on Capital in subsequent years, when acting as the requested jurisdiction, any Member State or the Republic of San Marino may apply those versions as a source of interpretation replacing the previous ones. That Member State shall communicate to the Republic of San Marino and the Republic of San Marino shall communicate to the European Commission when they apply the previous sentence. The European Commission may coordinate the transmission of the communication from Member States to the Republic of San Marino and the European Commission shall transmit the communication from the Republic of San Marino to all Member States. The application shall have an effect as of the date of the communication.

Joint declaration of the Contracting Parties on the term “TIN”

The parties agree that the term “TIN”, in the context of a Member State Reportable Person or a Member State Account Holder, should refer to the tax identification numbers or equivalent, whose structure and format have been notified to the European Commission and have been published in the Official Journal of the European Union as a compiled list.

The parties agree that the term “TIN”, in the context of a San Marino Reportable Person or a San Marino Account Holder, should refer to the following tax identification numbers:

- i – “Codice ISS” used to identify individuals;
- ii – “Codice Operatore Economico – (COE)” used to identify companies or other entities.

Joint Declaration of the Contracting Parties on the relations between San Marino and the European Union

The European Union recognises the active role played by the Republic of San Marino in the international process for transparency and tax cooperation among countries. San Marino is constantly working towards a full convergence with international and EU standards on anti-money laundering, tax and finance, as it has been recognized by Moneyval, the OECD and the International Monetary Fund.

In particular, the alignment process with the relevant provisions of the European Union on banking matters, anti-money laundering, payment system, statistics, euro banknotes and coins, provisions which are also important with regard to the above-mentioned transparency standards, is regulated by the Monetary Agreement signed in 2012 with the European Union. In that agreement San Marino committed to transposing into its national legal system a set of rules pertaining to the EU acquis.

This process of convergence is meant to be assisted by the Agreement with the European Union on the automatic exchange of financial account information to improve international tax compliance, in respect of which San Marino highlighted the need to ensure financial, technical and operational sustainability.

The European Union acknowledges San Marino's willingness to achieve, taking account of the start of the exchange of information under the Agreement between the European Union and San Marino on the automatic exchange of financial account information to improve international tax compliance, an effective integration of its financial and banking system within the EU market, in compliance with the obligations deriving from the 2012 Monetary Agreement.

Integration-related issues will be further addressed in the context of the Association Agreement with the European Union, the negotiation of which was officially opened on 18 March 2015.

Joint declaration of the Contracting Parties on the definition of Central Bank

The Contracting Parties agree, with reference to the criteria to identify Non-Reporting Financial Institution, (Annex I – section B), that the term “Central Bank” (paragraph 4) is to be interpreted for San Marino to refer to the Central Bank of the Republic of San Marino (Banca Centrale della Repubblica di San Marino).

Joint declaration of the Contracting Parties on Article 2 of the Amending Protocol

With reference to Article 2 of the Amending Protocol, both Parties agree that the provisional application of the Amending Protocol implies:

- That San Marino and the Member States, except Austria, and their Financial Institutions shall apply the reporting and due diligence rules consistent with Annexes I and II as of 1 January 2016, and that Austria and its Financial Institutions shall apply the reporting and due diligence rules consistent with Annexes I and II as of 1 January 2017, in view of meeting their obligations under Article 3(3) of the Agreement as amended by this Amending Protocol;
- That San Marino and its Financial Institutions, taking also into account the foreseen adoption and entry into force by end 2015 of a Council Directive repealing Council Directive 2003/48/EC, may suspend the application of their obligations under the Agreement between the European Community and the Republic of San Marino providing for measures equivalent to those laid down in Council Directive 2003/48/EC on taxation of savings income in the form of interest payments, in the form prior to its amendment by this Amending Protocol, as of 1 January 2016, unless otherwise provided for in paragraphs 3 and 4 of Article 2 of the Amending Protocol.
