To:	Permanent Representatives Committee
Subject:	Proposal for a REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL on ensuring a level playing field for sustainable air transport – Approval

On 24 October 2022 the Presidency intends to organise a Working Party during which the amendments submitted by the European Parliament on RefuelEU Aviation¹ regulation will be examined. In light of an amendment on the creation of a Union Labelling System made by the European Parliament, the Presidency intends to invite a representative of the European Aviation Safety Agency (EASA). The representative of EASA will provide technical background information or assistance given the highly technical nature of the said amendment.

Against this background, the Committee of Permanent Representatives is invited to approve the attendance of an EASA representative at the Aviation Working Party meeting on 24 October 2022.
