INFORMATION NOTE

From:	General Secretariat of the Council
To:	Delegations
Subject:	Guidelines for COVID-19 testing and quarantine of air travellers

Delegations are informed that the European Aviation Safety Agency and the European Centre for Disease Prevention and Control published an addendum to the COVID-19 Aviation Health Safety Protocol entitled "Guidelines for COVID-19 testing and quarantine of air travellers" on 2 December 2020.

The guidelines can be accessed for consultation or downloading on the EASA website:
