Subject: Any other business  
Enforcing EU law for a Europe that delivers  
- Information from the Commission

---

Delegations will find in Annex an information note relating to the item Any other business on the agenda of the General Affairs Council (GAC) on 18 October 2022.

The Commission will present the Communication “Enforcing EU law for a Europe that delivers”<sup>1</sup>, published on 13 October 2022.

Six years after the last Communication on its enforcement strategy<sup>2</sup>, the Commission thinks it would be useful to raise Ministers’ awareness on the topic of enforcement, to take stock of the results of its actions as guardian of the Treaties. The Communication presents the enforcement policy of the Commission, from support actions to infringement procedures. It is intended to show how enforcement ensures that citizens and businesses can reap the full benefits from EU law.
